

FSUIPC4: Application Interfacing module for Microsoft Flight Simulator X

Flight Simulator Universal Inter-Process Communication 4

by Pete Dowson, © 28th April 2008

Support Forum: <http://forums.simflight.com/viewforum.php?f=54>

Version 4.28 of FSUIPC4.dll

Note: All my Windows based software is always available in the latest versions from <http://www.schiratti.com/dowson>. (Selected modules are also available elsewhere).

This is *not* my web site (I have none) but the list is there courtesy of Enrico Schiratti

Assorted extras and interim updates will be available from my Support Forum (link above)

PLEASE ALSO SEE THE FSUIPC4 READ ME DOCUMENT IN THE ZIP
(it will often contain important release-specific information about known problems)

As well as the document you are now reading, this package contains "Install FSUIPC4.exe" that will install the following parts in a Modules folder, which will be created if necessary, in your FSX folder.

FSUIPC4.dll	The FS module itself, version 4.28
FSUIPC4 User Guide.pdf	This document, in Adobe Acrobat format
FSUIPC4 History.pdf	A list of changes in each version (Acrobat format)
FSUIPC4 for Advanced Users.pdf	More technical information only (Acrobat format)
List of FSX Controls.pdf	FSX controls list (Acrobat format)

You will also find, in the ZIP, these optional files:

747 OHD.macro	A mouse macro file example, for part of the PMDG 747 overhead
APChart.macro	A mouse macro file for the freeware APChart gauge

For other bits and pieces, like TrafficLook and WeatherSet, please visit my Support Forum. You will also find interim versions and bug fixes there—well worth a regular scan. The link is shown above, in the subtitles.

If you want programming details you need to get the FSUIPC4 Developer Kit, (SDK). Currently this is composed of the FSUIPC SDK from <http://www.schiratti.com/dowson> plus supplementary documents and updates from the SDK link in the "FSX Downloads ..." Announcement on the Support Forum.

Please try to read at least some of this document. It only grows as I add answers to some of the many questions folks send to me. If you have a question, please check here first. It has probably been asked and answered already!

In particular, your attention is drawn to the sections entitled "Important Notes ..." near the end of the document. These discuss assorted matters which are sometimes a matter of concern to FS user and which can impinge upon the use of FSUIPC.

... Thanks!

Fsuipc4 User Guide
