CARMILLA (Gothic Classic) Joseph Sheridan Le Fanu, 2023-12-11 In *Carmilla* Joseph Sheridan Le Fanu masterfully weaves a tale of gothic horror and eroticism pioneering the vampire fiction genre that would influence countless writers thereafter. Set in the eerie landscape of Central Europe, the narrative unfolds through the eyes of Laura, a young woman who becomes entwined in a web of intimacy and terror with the enigmatic Carmilla. Le Fanu employs a rich descriptive style that evokes a haunting atmosphere using fragmented narratives and psychological depth to explore themes of forbidden desire, identity, and the supernatural. This novella stands as a seminal work in the Victorian era, reflecting societal anxieties surrounding sexuality and the uncanny. Joseph Sheridan Le Fanu, an Irish author born in 1814, lived in a time marked by Romanticism and the burgeoning interest in the macabre. Raised in a family deeply rooted in storytelling, Le Fanu was heavily influenced by folklore and the supernatural, often drawing upon Ireland's rich mythological traditions. His own experiences with loss and isolation surely informed the haunting, intimate portraits of his female protagonists, making *Carmilla* not just a tale of horror but also a poignant exploration of women's relationships and societal constraints. I highly recommend *Carmilla* to readers interested in gothic literature, as it not only engages with the conventions of its time but also challenges them by bringing forth a complex female character that invites both fascination and fear. This novella thrillingly combines psychological depth with the supernatural, making it an enduring classic that resonates profoundly in the canon of horror literature.

Carmilla J. Sheridan LeFanu, 2018-01-18 *Carmilla* is a Gothic novella by Joseph Sheridan Le Fanu and one of the early works of vampire fiction, predating Bram Stoker's *Dracula* (1897) by 26 years. First published as a serial in *The Dark Blue* (1871-72), the story is narrated by a young woman preyed upon by a female vampire named Carmilla, later revealed to be Mircalla Countess Karnstein. *Carmilla* is an anagram of Mircalla. The story is often anthologized and has been adapted many times in film and other media. *Carmilla* serialized in the literary magazine *The Dark Blue* in late 1871 and early 1872 was reprinted in Le Fanu's short story collection *In a Glass Darkly* (1872). Comparing the work of the two illustrators, David Henry Friston and Michael Fitzgerald, whose work appears in the magazine but not in modern printings of the book, reveals inconsistencies in the characters' depictions. Consequently, confusion has arisen relating the pictures to the plot. Citation needed. Isabella Mazzanti illustrated the book's 2014 anniversary edition, published by Editions Soleil and translated by Gaid Girard.

is a Gothic novella by Joseph Sheridan Le Fanu and one of the early works of vampire fiction. It was first published in 1871 as a serial narrative in *The Dark Blue*. It tells the story of a young woman's susceptibility to the attentions of a female vampire named Carmilla. It predates Bram Stoker's *Dracula* by 26 years. The story has been adapted many times in film and other media. The story is presented by Le Fanu as part of the casebook of Dr Hesselius, whose departures from medical orthodoxy rank him as the first occult doctor in literature. The story is narrated by Laura, one of the two main protagonists of the tale. Laura begins her tale by relating her childhood in a picturesque and solitary castle in the midst of an extensive forest in Styria, where she lives with her father, a wealthy English widower retired from the Austrian Service. When she was six years old, Laura had a vision of a beautiful visitor in her bedchamber. She later claims to have been bitten on the chest, although no wounds are found on her. Twelve years later, Laura and her father are admiring the sunset in front of the castle when her father tells her of a letter he received earlier from his friend General Spielsdorf. The General was supposed to bring his niece Bertha Rheinfeldt to visit the two, but the niece suddenly died under mysterious circumstances. The General ambiguously concludes that he will discuss the circumstances in detail when they meet later. Laura is saddened by the loss of a potential friend and longs for a companion. A carriage accident outside Laura's home unexpectedly brings a girl of Laura's age into the family's care. Her name is Carmilla. Both girls instantly recognize the other from the dream they both had when they were young. Carmilla appears injured after her carriage accident, but her mysterious mother informs Laura's father that her journey is urgent and cannot be delayed. She arranges to leave her daughter with Laura and her father until she can return in three months. Before she leaves, she sternly notes that her daughter will not disclose any information whatsoever about her family past or herself, and that Carmilla is of sound mind. Laura comments that this information seems needless to say, and her father laughs it off.
