

# INTRODUCTION

In order to provide a baler which does not require completing packages the 435 and 445 Balers are complete field ready machines, however extra equipment is available to suit each customer's need. The function and operation of this equipment is described in this manual.

Illustrations are numbered to correspond with the page number on which they are located; for example, Illust. 5 and 5A are on page 5.

Wherever the terms "right" and "left" are used, it should be understood to mean from a position behind and facing the machine.
