

Bend 1 Session 5

Objective	I can edit my writing as I draft.	Preparations/Materials - Anchor Chart from previous lessons
Standards	W.3.1, W.3.3, W.3.5	
Connection	Allow students time to look at their writing goals and see how their writing measures up. If students did not complete their goal thus far provide 2 minutes for them to work on that goal.	
Teach	TP: Today I want to teach you that you don't need to wait until you are finished writing to go back and fix up your writing. Demonstrate how to take a few minutes to spell check correctly as you are drafting. Modification: Take a few minutes to reread and make sure your sentences make sense and are clear. (instead of spelling) Model how to do this depending on what skill you want to work on. TC suggests spelling correctly as you draft but some students benefit from rereading confusing sentences that are confusing. Debrief.	
Active Engagement	Provide students with a sentence to change to make clearer or a sentence that practice spelling a word from the word wall or somewhere else in the room. Clearing up sentences example: I should have more summer days go beach relax. Cell phone in school is good. Spelling example: We be having rings at 2:30.	
Link	Remind students to read what is drafting to ensure that sentences make sense. Remind students that they can ask their partners to help me clear up confusing sentences because sometimes it is hard to find your own mistakes. (Remember students are going to write many different writing pieces in bend 1- Were going for volume)	
Authentic Writing Time	Mid: May I provide writers with time to share their writing with a partner. Or remind students about their spelling tools and resources. Share: Share your writing with your partner. Discuss how to clear up confusing sentences. Ask your partner: As a reader, what questions do you have when reading my writing?	
Assessment	Observations during T&T, individual writing conferences and small groups.
