Principles in Biomedical Science Final Review

- Are you aware of opportunities in the present, immediate future and the long-term?
- Have you discussed in class - outside of eg. sleeping, eating and studying things like games, etc. - the use of the present? Make sure you are not procrastinating. What are your strengths and weaknesses? These strengths will allow you to better utilize your study time. If you are still struggling in specific areas, make sure you make help when needed.
