The Simplex Motion Picture Projector Precision Machine Company, Inc,1923 EDP-57 Data/graphics Video Projector
Electrohome Ltd,1982 **Training Film Projectionist Manual** United States. Bureau of Naval Personnel,1947 The 16mm
projectionist performs a valuable service to the Navy training program ashore and afloat All the skill of the motion picture
industry all the skill of the director and actors have gone into the making of a training film All these skills will be lost unless
the projectionist knows his job Good projection does not call attention to itself poor projection is marked by distractions and
interruptions These disturbances can be prevented by you if you know your projector and your job This manual is not a
technical service manual but is intended to provide a general understanding of the problems of 16mm motion picture and
35mm filmstrip projector operation It gives many useful and practical hints that will help you the projectionist do a better job
of showing Navy training films For complete technical information referred to the instruction book that comes with the
