Fieldwork Training in Social Work Bishnu Mohan Dash,Sanjoy Roy,2019-07-01 This volume is a definitive manual for students and practitioners involved in learning and developing essential theories and models for fieldwork practicum in social work education It addresses various functional issues in field practicum delineates proper guidelines for students and supervisors discusses criteria of supervision and evaluation and explores the concerns facing South Asian field practitioners The volume focuses on traditional and non traditional components and aspects of fieldwork and training such as The value and use of educational camps and skill development workshops The contemporary field level needs and strategies in social work practicum Formulating alternative practice theories that will allow social work practitioners to respond to the critical social problems unique to India and South Asia The book provides multiple frameworks for teaching and learning fieldwork that integrate theory and practice and create an environment where students can develop intervention strategies using their knowledge skills and techniques The volume will be indispensable reading for undergraduate and post graduate students of social work It will also be useful for scholars of sociology anthropology and development studies and practitioners engaged in various non governmental and international organizations

Fostering Social Work Gerontology Competence Catherine J. Tompkins,Anita L. rosen,2013-12-19

Inspire the next generation of gerontological social workers The growing number of people over the age of 65 in the United States has increased the demand for social workers who are trained to work with the elderly a demand that is in danger of not being met Fostering Social Work Gerontology Competence presents innovative techniques and strategies to help educators infuse aging content into their graduate and undergraduate curriculums in an effort to produce a new generation of social work practitioners who are up to the task of working with an older population Recent surveys show that there has been a decline in the number of aging specialties and courses offered by schools of social work Fostering Social Work Gerontology Competence offers a renewed focus on the promotion of gerontological social work education presenting papers that grew out of the first National Gerontological Social Work Conference NGSWC held in 2003 This unique book is invaluable to anyone who educates future social workers leads staff training sessions and or teaches continuing education courses on aging Leading gerontologists examine teaching research community collaboration and social work competencies while focusing on special populations and issues including end of life care elder abuse grief counseling cultural diversity cultural competence and the effects of spirituality and social support on the well being of the elderly Fostering Social Work Gerontology Competence examines curricular and organizational change developing intergenerational projects involving older persons in the educational process uniting field practice with theory strategies to promote student interest identifying geriatric competencies intergenerational service learning developing an aging prepared community emerging trends in aging and health care end of life care and death education environmental issues affecting elder abuse victims mental health services for older persons in rural communities kinship care and much more Fostering Social Work Gerontology Competence is a vital resource for social work educators and practitioners gerontology educators and practitioners and students

Pcopy Field Instruction David Royse,1998-10-15 Gatekeeping in BSW Programs Patty Gibbs,Eleanor H. Blakely,2000-05-06 Social work educators and degree program administrators face difficult issues concerning law student rights and social justice in their role as gatekeepers of the social work profession How and why should baccalaureate social work programs afford or restrict access to the profession When do gatekeeping strategies mask educators reluctance to tackle some of the more thorny issues that have plagued higher education in general for example academe s often limited success in addressing a variety of student special needs Balancing the interests of a diverse student population a baccalaureate program and the profession to say nothing of the clients challenges gatekeepers creativity to the utmost This all in one resource written by social work educators with special interests and expertise in gatekeeping provides the knowledge and tools that faculty and administrators need to carry out their duties conscientiously and appropriately Gatekeeping in BSW Programs covers the history of gatekeeping and its major issues legal matters in the field and strategies and processes of gatekeeping it also includes useful appendixes of materials and tools such as sample questions for student admissions and various sample academic policies **Routledge Handbook of African Social Work Education** Susan

Levy, Uzoma Odera Okoye, Pius T. Tanga, Richard Ingram, 2024-06-06 This timely Routledge Handbook creates a much needed space to explore what makes social work uniquely African as well as shaping informing and influencing a new culturally relevant era of social work The specific focus on social work education offers approaches to transition away from the hegemony of Western literature knowledge and practice models underpinning African social work education The authors identify what is relevant and meaningful to inform influence and reconceptualise culturally relevant social work curriculum Covering Botswana Cameroon Ethiopia Ghana Guinea Kenya Malawi Nigeria South Africa Tanzania Uganda Zambia and Zimbabwe the Handbook comprises both empirical and conceptual chapters multiple approaches case studies and key debates on social work education It is structured in four parts Approaches to Indigenising Decolonising and Developing Culturally Relevant Social Work Education Social Work Education Evolution across Contexts Embedding Field Practicum into Social Work Education Knowledge Exchange between the Global South and Global North The range of indigenous local knowledge that the Handbook presents is crucial to social work evolving and facilitating for reciprocal learning and knowledge exchange between the Global South and Global North Whilst the context of the Handbook is Africa the topics covered are relevant to a global audience engaged in social justice work across social work social welfare social development and sustainability

Encyclopedia of Social Work with Groups Alex Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The *Encyclopedia of Social Work with Groups* will be of interest to students practitioners social work faculty novice and experienced group workers

The Foundations of Social Work Knowledge Frederic G. Reamer, 1994 Leading social work educators explain the essential components of the social work curriculum social work practice policy and services human behavior in the social environment research and evaluation field education ethics oppression and social injustice and diversity and populations at risk including ethnic minorities and people of color women lesbians and gays and people with disabilities *Training Methodology: Instructional methods and techniques*, 1969 **Resources in Education**, 1997 **Journal of Education for Social Work**, 2009 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1974

Effective Practice Learning in Social Work Jonathan Parker, 2010-06-01 The Department of Health requires students on the social work degree to undertake at least 200 days in direct practice learning during their course Practice learning often raises great anxieties for students agencies and those who supervise and assess it This book tackles those anxieties explaining the ways the experience can deliver a unique learning opportunity for the student It is ideal for students undertaking or about to undertake practice learning student supervisors and practice assessors as well as trainers and policymakers within social care agencies and healthcare professions where practice learning is also undertaken
