Civil War in the Southwest Borderlands, 1861-1867 Andrew E. Masich, 2017-02-03 Still the least understood theater of the Civil War the Southwest Borderlands saw not only Union and Confederate forces clashing but Indians Hispanos and Anglos struggling for survival power and dominance on both sides of the U S Mexico border While other scholars have examined individual battles Andrew E Masich is the first to analyze these conflicts as interconnected civil wars Based on previously overlooked Indian Depredation Claim

records and a wealth of other sources this book is both a close up history of the Civil War in the region and an examination of the war making traditions of its diverse peoples Along the border Masich argues the Civil War played out as a collision between three warrior cultures Indians Hispanos and Anglos brought their own weapons and tactics to the struggle but they also shared many traditions Before the war the three groups engaged one another in cycles of raid and reprisal involving the taking of livestock and human captives reflecting a peculiar mixture of conflict and interdependence When U S regular troops were withdrawn in 1861 to fight in the East the resulting power vacuum led to unprecedented violence in the West Indians fought Indians Hispanos battled Hispanos and Anglos vied for control of the Southwest while each group sought allies in conflicts related only indirectly to the secession crisis When Union and Confederate forces invaded the Southwest Anglo soldiers Hispanos and sedentary Indian tribes forged alliances that allowed them to collectively wage a relentless war on Apaches Comanches and Navajos Mexico s civil war and European intervention served only to enlarge the conflict in the borderlands When the fighting subsided a new power hierarchy had emerged and relations between the region s inhabitants and their nations forever changed Masich s perspective on borderlands history offers a single cohesive framework for understanding this power shift while demonstrating the importance of transnational and multicultural views of the American Civil War and the Southwest Borderlands

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1921

Poland 1939 Roger Moorhouse,2020-07-14 A chilling and expertly written history of the 1939 September Campaign and the onset of World War II Times of London For Americans World War II began in December of 1941 with the bombing of Pearl Harbor but for Poland the war began on September 1 1939 when Hitler s soldiers invaded followed later that month by Stalin s Red Army The conflict that followed saw the debut of many of the features that would come to define the later war blitzkrieg the targeting of civilians ethnic cleansing and indiscriminate aerial bombing yet it is routinely overlooked by historians In Poland 1939 Roger Moorhouse reexamines the least understood campaign of World War II using original archival sources to provide a harrowing and very human account of the events that set the bloody tone for the conflict to come

AF Manual United States. Department of the Air Force,1966

Army-Navy-Air Force Register and Defense Times ,1924

This Enthralling World of Kindle Books: A Detailed Guide Unveiling the Advantages of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books.
