

Chapter 1

Answer the following questions:

1. Do you think that Pip's being an orphan affected his life? Why? Give your answer in three sentences at most.
 - Yes, he led a miserable life. He had no one to look after him but his sister who treated him badly.
2. If you were in Pip's place, would you bring the file and food to the stranger? Why?
 - Yes, because I would be afraid of the stranger.
 - No, I would tell my sister and Joe what happened at the marches and ask for their help.
3. Do you think that Pip's older sister led a happy life with her husband? Why?
 - No, because she thought it was bad enough being a blacksmith's wife
4. What do you think would have happened if Pip had told his sister about his behaviour with the convict?
 - She would have punished him for stealing the food and the file.
5. "Suddenly, we heard angry shouts nearby. I was afraid of what was about to happen." What do you think was about to happen?
 - Everyone would know that Pip had helped the convict.
6. Should Pip have told the soldiers about the convict? Why?
 - Yes, because he was a criminal. He should be punished for escaping from prison.
 - No, he shouldn't, because he felt that it was his duty not to tell anyone where he was.

Chapter 2

Answer the following questions:

1. What do you think might have happened if Joe had gone to school?
 - He wouldn't have worked as a blacksmith.
 - He might have become a gentleman.
 - He wouldn't have married Pip's sister.
2. If you were in Pip's place, would you make friends with Joe? Why?
 - Yes, because he treats me well and I trust him.
3. "Then she jumped on me like an eagle on a lamb," said Pip. What did these words reflect about the relationship between Pip and his sister?
 - She doesn't treat her brother well. She had never wished to look after him. Pip probably doesn't like her.
4. The house looked unused and most of the doors were closed. Everything was dark inside. Do you think this atmosphere reflected the circumstances Mrs Havisham had lived in? Why?
 - Yes, as she herself was depressed and never wanted to deal with others after her fiancé had left her on her wedding day.
5. "As I stood before her, I noticed that the clock had stopped at nine." What do you think the stoppage of the clock indicates?
 - It indicates the stoppage of her life itself as she was shocked to discover that her fiancé had left her on her wedding day.
6. Do you think Mrs Havisham was right to let Estella break Pip's heart? Why?

Learning David H. Jonassen, Heinz Mandl, 2012-12-06 This most unusual book results from the NATO Advanced Research Work shop Designing Hypertext Hypermedia for Learning held in Rottenburg am Neckar FRO from July 3 8 1989 The idea for the workshop resulted from the burgeoning interest in hypertext combined with the frustrating lack of literature on learning applications for hypertext There was little evidence in 1988 that hypertext could successfully support learning out comes A few projects were investigating hypertext for learning but few conclusions were available and little if any advice on how to design hyper text for learning applications was available Could hypertext support learning objectives What mental processing requirements are unique to learning outcomes How would the processing requirements of learning outcomes interact with

unique user processing requirements of browsing and constructing hypertext Should hypertext information bases be restructured to accommodate learning outcomes Should the user interface be manipulated in order to support the task functionality of learning outcomes Does the hypertext structure reflect the intellectual requirements of learning outcomes What kinds of learning oriented hypertext systems were being developed and what kinds of assumptions were these systems making These and other questions demonstrated the need for this workshop The workshop included presentations hardware demonstrations sharing and browsing of hypertexts and much discussion about all of the above These were the experiences that you the reader of this book unfortunately did not experience
