How Elephants Lost Their Wings Lesley Sims, 2007 How Elephant's lost their Wings Lesley Sims, 2013-07-01 Believe it or not elephants used to be able to fly But flying elephants were big trouble Simply written in lively flowing text Usborne First Reading books are designed to capture the imagination and build the confidence of beginner readers This book includes audio simple comprehension puzzles and downloadable worksheets and teacher s notes For every parent child and teacher weary of the monotony of the average reading scheme Usborne s First Reading series will offer rays of sunlight The books are carefully levelled and offer a huge variety of accessible and fun fiction and non fiction Tamara Linke Proprietor Tales on Moon Lane Bookshop How Elephants Los Their Wings ,2008 **HOW ELEPHANTS LOST THEIR WINGS(CD1**
)(Usborne First Reading Set 2-3)(Paperback) LESLEY SIMS, 2007-12-01 *First Reading, Series Two* Lesley Sims, USBORNE, 2010-07-30 This is a retelling of an Indian folktale about a time when elephants could fly but flying elephants can mean big trouble It includes an interactive CD ROM with animated screen visuals and characterful narration music and sound effects Trumpet Calls Nalini Ramachandran, 2021-11-25 To some elephants are the guardians of forests to others they are sacred symbols worthy of being worshipped They were comrades in arms to kings and queens in one time and objects of entertainment in another Drawing from contemporary accounts world history and mythologies this enlightening book peppered with fascinating facts and gorgeous illustrations explores the complex relationship between elephants and humans across the ages Here you will meet elephants who can fly and vanquish nightmares turn the tide of a battle trek up mountains and swim like champions avenge wrongs and form lifelong bonds Funny joyful often profoundly moving and sometimes downright heartbreaking Trumpet Calls takes you on the wild and wondrous trail of the most majestic creature on earth **German Media and National Identity** Sanna Inthorn, 2007 Fascination with what makes the Germans tick has produced a vast range of texts that explore German postwar politics culture and society Yet within this considerable body of work there is a paucity of academic analysis that acknowledges the role of media discourse in the representation and construction of German identity This book makes an important contribution to the study of German national identity by offering a detailed and large scale academic analysis of how German media discourse between 1998 and 2005 represents German national identity It brings together a variety of case studies European integration citizenship and immigration sports and consumption It makes the case for the role of popular culture in the discursive formation of national identity and demonstrates that the nation is constructed against political and non political subjects By looking at a variety of topic contexts this book identifies a master narrative of the German nation It tells the story of a nation that has its roots firmly in the memory of National Socialism and constructs ethnocentric nationalism as taboo Yet at the same time it cannot escape the past as it harbors racist images of self and other This is an important book for collections in European studies and media studies as well as scholars engaged in studying the impact of media on culture This book demonstrates that reports of the

death of the nation state are without any doubt exaggerated The particular complex of discourses analysed here was and is only present in Germany It could not be found in Germany's German speaking neighbours such as Austria or Switzerland or indeed anywhere else While the influence of globalisation is undeniable the nation state and its media remain a key location for the negotiation of national identity and much more This wide ranging and engagingly written book offers us an exceptional insight into that process Professor Hugh O'Donnell Glasgow Caledonian University **A Busy Year at the Old Squire's** Charles Asbury Stephens, 1922 Sages, Nymphs, and Deities Vishwanath S.
