Fanny J Crosby An Autobiography Hendrickson Classic Biographies:

Fanny J. Crosby Fanny Crosby, 1999-01-20 Here in Fanny Crosby's own words is the story of her life from birth and the event that caused her blindness at six weeks of age to her eighty-sixth year. With warmth and sensitivity she recounts how she began to write poetry and went on to become the most prolific hymn writer of the late 1800s. Fanny Crosby writes by including even some incidents that in themselves may seem trivial. I have tried to make this account a full and accurate biography. In modesty however I have also desired to render my story as simple as possible in fact to give a vivid picture of my work, my opinions and my aspirations not only as a teacher but also as a writer of sacred songs. In her first chapter Fanny Crosby describes her own story as flowers plucked from the garden of memory. Her recollections are truly a bouquet of memories. Both text and photos capture the multicolored hues of nineteenth-century life and the career of a beloved hymn writer who was wholly dedicated to her craft. Included are personal insights about noted politicians, generals, evangelists and fellow hymn writers. *Fanny J. Crosby* Fanny J. Crosby, 1986-03-01 Reflections of 19th-century American hymn writer on her 86 years of life. Memories include her work as a hymn writer as well as thoughts about missions, politics, the church and its leadership. **The Heavenly Man** Brother Yun, Paul Hattaway, 2009 An account of how God took a young half-starved boy from a poor village in Henan Province and used him to spread the gospel in the face of unrelenting persecution. And God Came in Lyle W. Dorsett, 2009 In this definitive biography of Joy Davidman we read the real love story that the major motion picture *Shadowlands* could not tell. Lyle Dorsett reveals Davidman's profound influence on C. S. Lewis's life and writings. *A Love Observed* tells a more complete story not only about the brief marriage between the erudite and accomplished Lewis and Joy Davidman but also of the famously vivid and assertive woman herself. occur to me that I could write hymns that people would care to sing Still I am convinced now that events were shaping to make it possible for me to take up what proved to be my real life work Everything in this world is progressive and courage and ambition are no exception to the rule I seem to have been led little by little toward my life work and believe that the same fact will appear in the life of any one who will cultivate such powers as God has given him and then go on bravely quietly but persistently
