Breaking Away Maurice E. Stucke, 2022 Breaking Away sounds a warning call alerting readers that their privacy and autonomy concerns are indeed warranted and the remedies deserve far greater attention than they have received from our leading policymakers and experts to date Through the various prisms of economic theory market data policy and law the book offers a clear and accessible insight into how a few powerful firms Google Apple Facebook Meta and Amazon have used the same anticompetitive playbook and manipulated the current legal regime for their gain at our collective expense While much has been written about these four companies power far less has been said about addressing their risks In looking at the proposals to date however policymakers and scholars have not fully addressed three

fundamental issues First will more competition necessarily promote our privacy and well being Second who owns the personal data and is that even the right question Third what are the policy implications if personal data is non rivalrous Breaking Away not only articulates the limitations of the current enforcement and regulatory approach but offers concrete proposals to promote competition without having to sacrifice our privacy This book explores how these platforms accumulated their power why the risks they pose are far greater than previously believed and why the tools need to be far more robust than what is being proposed Policymakers scholars and business owners managers and entrepreneurs seeking to compete and innovate in the digital platform economy will find the book an invaluable source of information **Billboard**,2011-07-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **My TV for Seniors** Michael Miller,2019-03-28 Covers What How and Where to Watch TV for Less Millions of people are cutting the cord on old fashioned cable TV plans and choosing more modern efficient and cost effective ways to watch their favorite programming and movies My TV for Seniors is an exceptionally easy and complete full color guide to all the services and hardware you ll need to do it No ordinary beginner s book it approaches every topic from a senior s point of view using meaningful examples step by step tasks large text close up screen shots and a full color interior designed for comfortable reading Full color step by step tasks walk you through watching TV today on a variety of devices and saving money doing so Learn how to Cut the cable and satellite cord Save money on your cable or satellite TV bill Watch local TV stations for free Choose the best TV and streaming media player for you Connect and use an Amazon Fire TV Apple TV Google Chromecast or Roku device Watch Amazon Prime Video Hulu Netflix and other streaming video services Use live streaming services like DirecTV Now fuboTV Hulu with Live TV PlayStation Vue Sling TV and YouTube TV Find where to best watch sporting events Get a better picture with HD Ultra HD and HDR Get better sound with a sound bar or surround sound system Watch TV on your phone tablet or computer An AARP TV for Grownups publication **FCC Record** United States.
