
Healthcare Administration FBLA Questions With Complete Solutions

AAPCC - Adjusted Average Per Capita Cost correct answer: The basis for Health Maintenance Organization (HMO) or Competitive Medical Plan (CMP) reimbursement under Medicare-risk contracts. The average monthly amount received per enrollee is currently calculated as 95 percent of the average costs to deliver medical care in the fee-for-service sector. It is the Centers for Medicare & Medicaid Services' (CMS's) best estimate of the amount of money care costs for Medicare recipients under fee-for-service Medicare in a given area.

AAPPO correct answer: American Association of Preferred Provider Organizations

The leading national association of preferred provider organizations (PPOs) and affiliate organizations, and was established in 1983 to advance awareness of the benefits — greater access, choice and flexibility — that PPOs bring to American health care.

Access correct answer: A patient's ability to obtain medical care determined by the availability of medical services, their acceptability to the patient, the location of health care facilities, transportation, hours of operation, and cost of care.

Accounts Receivable correct answer: The balance of money owed to a client by others.
