International Arbitration John A Trenor, 2018-01-18 Have you ever been frustrated that arbitration folk aren't more numerate? The Guide to Damages in International Arbitration is a desktop reference work for those who'd like greater confidence when dealing with the numbers. This second edition builds upon last year's by updating and adding several new chapters on the function and role of damages experts, the applicable valuation approach, country risk premium, and damages in gas and electricity arbitrations. This edition covers all aspects of damages from the legal principles applicable to the main valuation techniques and their mechanics to industry-specific questions and topics such as tax and currency. It is designed to help all participants in the international arbitration community to discuss damages issues more effectively and communicate them better to tribunals with the aim of producing better awards. The book is split into four parts: Part I Legal Principles Applicable to the Award of Damages; Part II Procedural Issues and the Use of Damages Experts; Part III Approaches and Methods for the Assessment and Quantification of Damages; Part IV Industry Specific Damages Issues. *Guide to Energy Arbitrations* J William Rowley QC, 2017-06-21 Global Arbitration Review's The Guide to Energy Arbitrations is an essential desk-top reference tool for energy companies, their advisers, and arbitrators, bringing together a number of pre-eminent authors and pulling together the latest and best approaches to the myriad issues confronted in today's energy disputes. J William Rowley QC of 20 Essex St acts as General Editor; editors are Doak Bishop of King. The Guide to Energy Arbitration is a very useful and unique contribution to the literature in the area; it assembles the views and insights of leading counsel and arbitrators on many of the key issues and trends in the energy arbitration world. It should be a valuable guide to energy companies and their internal and external counsel, in addition to being of interest to commercial and litigation lawyers generally.
