Riordan is driving through a Connecticut town in the midst of a horrendous winter storm After hours of stressful traveling he spots a run down bar and despite grave misgivings stops in for a drink In a very ominous way he learns that the four patrons currently in the tavern are regulars and that they all have one dark thing in common He ll also soon discover that not only the regulars share this bond but the young dishwasher and the bartender do as well While learning about this group of eccentric sometimes likable but extremely dangerous individuals James will learn how the mind can hide past sins and that the road to evil can range from a long twisting build up of rage to one that is unprovoked and soon forgotten A Treatise
