The Global Impact of the COVID-19 Pandemic on Institutional and Community Corrections James M. Byrne, Don Hummer, Sabrina S. Rapisarda, 2021-07-07 The authors of the chapters included in this volume provide preliminary answers to questions such as How extensive were COVID 19 outbreaks in prisons jails and community corrections systems globally Which regions and countries reported the largest outbreaks Why were prisons and jails found to be hot spots for the spread of COVID 19 in most countries How did governments initially respond to COVID 19 outbreaks in their corrections systems Did the mitigation strategies used in each country reduce the spread of the infection in the corrections system both in prisons and jails and in community corrections Did the corrections focused mitigation strategies used in each country have a positive or an adverse impact on public health and public safety How likely is it that the varied short term mitigation strategies implemented by governments will result in long term changes in corrections policies and practices The book includes three chapters examining the global impact of the COVID 19 outbreaks six regional overviews and 27 country specific reviews including reviews targeting 21 of the 50 largest prison systems globally This collection will be an excellent resource for researchers policymakers practitioners and the general public interested in knowing more about the nature and extent of COVID 19 outbreaks in corrections systems globally and about the diversity of responses developed and implemented by governments from each global region The chapters in this book were originally published as a special issue of the journal *Victims Offenders*

The Tech Coup Marietje Schaake, 2025-09-16 A tech insider who has been hailed by *The New Yorker* for her forceful critique of Big Tech describes what must be done to stop its erosion of democracy Over the past decades under the cover of innovation technology companies have successfully resisted regulation and have even begun to seize power from governments themselves Facial recognition firms track citizens for police surveillance Cryptocurrency has wiped out the personal savings of millions and threatens the stability of the global financial system Spyware companies sell digital intelligence tools to anyone who can afford them This new reality where unregulated technology has become a forceful instrument for autocrats around the world is terrible news for democracies and citizens In *The Tech Coup* Marietje Schaake offers a behind the scenes account of how technology companies crept into nearly every corner of our lives and our governments She takes us beyond the headlines to high stakes meetings with human rights defenders business leaders computer scientists and politicians to show how technologies from social media to artificial intelligence have gone from being heralded as utopian to undermining the pillars of our democracies To reverse this existential power imbalance Schaake outlines game changing solutions to empower elected officials and citizens alike Democratic leaders can and must resist the influence of corporate lobbying and reinvent themselves as dynamic flexible guardians of our digital world Drawing on her experiences in the halls of the European Parliament and among Silicon Valley insiders Schaake offers a frightening look at our modern tech obsessed world and a clear eyed view of how democracies can build a better future before it is too late

The Canteen Kyle Gabhart, 2025-08-12 The Canteen explores the dangers of self sufficiency and the profound lessons learned from stepping out into the unknown through the lens of one man's African mission At the pivotal age of nineteen Kyle Gabhart embarked on a journey that expanded his horizons challenged his faith and allowed him to experience a world he had only read about Traveling from Fort Worth Texas to Johannesburg South Africa he was confronted by a world that was as foreign and fierce as it was brilliant and beautiful For nearly a month he explored Johannesburg Pretoria the surrounding wilderness and the bush in Zimbabwe For the next two decades his experiences continued to make an indelible impact on his life opening his eyes to the realities of hunger and violence experienced in other parts of the globe Before this journey Kyle had little understanding of developing countries and never before had he been a minority or spent much time in a place where English was not the dominant tongue Those twenty five days in May 1999 immersed Kyle in a foreign land with a radically different culture and transformed the way he sees the world The Canteen invites believers on a journey of faith and discovery that challenges them to analyze the source of their confidence Are they relying upon their own skills and assets or the Lord's Are they clutching onto something temporal as their provision or releasing everything to open their arms for whatever God has in store for them *The Statesman's Yearbook 2015* B. Digital Activism in Zimbabwe Tenford Chitanana, 2024-10-21 This book investigates the role of the internet and social media in political processes in non western and non democratic contexts Using Zimbabwe as a case study the book demonstrates how activists and ordinary people deploy social media particularly Facebook to subvert an enduring hegemonic state However the book also highlights how authoritarian regimes are in turn learning and adapting to the information age challenging the impact of digital activism Studies of digital activism in the Global South are often centred around democracy but this book paints a more complex picture examining the role and effect of digital activism in challenging state hegemony in authoritarian contexts The book notes that while communication technologies help mediate activism they are also simultaneously constrained by pre existing and emergent challenges tied to the social and political context and the inherent limitations of those technologies The book investigates the tactics used by digital activists the contextual factors and restrictive political environment they operate in including the role of pro government activists and ultimately the impact of digital activism given these constraints From the case of Zimbabwe the book builds out a broader theoretical analysis of the evolution of third world protest in the digital age examining the limitations of activists actions and the ideological deficit in online activism to ferment a virulent counter hegemony

Africa Toyin Falola, Daniel Jean-Jacques, 2015-12-14 These volumes offer a one stop resource for researching the lives customs and cultures of Africa s nations and peoples Unparalleled in its coverage of contemporary customs in all of Africa this multivolume set is perfect for both high school and public library shelves The three volume encyclopedia will provide readers with an overview of contemporary customs and life in North Africa and sub Saharan Africa through discussions of key concepts and topics that touch everyday life among the nations peoples While this encyclopedia places emphasis on the customs and cultural practices of each state history politics and economics are also addressed Because entries average 14

000 to 15 000 words each contributors are able to expound more extensively on each country than in similar encyclopedic works with shorter entries As a result readers will gain a more complete understanding of what life is like in Africa s 54 nations and territories and will be better able to draw cross cultural comparisons based on their reading **Wikileaks and the Age of Transparency** Micah L. Sifry,2011 The United States government is diligent some might say to the point of obsession in defending its borders against invaders Now we are told a small international band of renegades armed with nothing more than laptops presents the greatest threat to the U S regime since the close of the Cold War WikiLeaks release of a massive trove of secret official documents has riled politicians from across the spectrum Even noted free speech advocate Floyd Abrams blames WikiLeaks founder Julian Assange for the certain defeat of federal shield law legislation protecting journalists Hyperbole hysteria Certainly Welcome to the Age of Transparency But political analyst and writer Micah Sifry argues that WikiLeaks is not the whole story It is a symptom an indicator of an ongoing generational and philosophical struggle between older closed systems and the new open culture of the Internet Despite Assange s arrest the publication of secret documents continues As Sifry shows this is part of a larger movement for greater governmental and corporate transparency When you combine connectivity with transparency the ability for more people to see share and shape what is going on around them the result is a huge increase in social energy which is being channeled in all kinds of directions
