### ANSWER KEY

10. Did the author criticize Plutonium's policy on the environment? For Professor/Father, this shows him somewhat ignorant.  
What does Father think about this?  
Does Father's judgment change over time  
as time goes by?  
Does Father's attitude towards government policies  
like environmental protection change over time  
as time goes by?  
Does Father's attitude towards government policies  
change as time goes by?  
Does Father's attitude towards government policies  
change as time goes by?
11. Please read carefully and comprehend the following sentence in groups. Please have conversations with  
groups and compare ideas. Once everybody has had a chance to contribute ideas, "let's have  
another go" go around. If the group has a question regarding sentence, and if no one has questions, the  
teacher will ask the group a question. Please discuss your ideas in groups based on individual's own life  
experience and the information in the reading material. Remember, this lesson  
concentrates more on individual's life experience and social values. You may bring different  
meaning from different cultures and backgrounds and incorporate your individual experiences  
and.
12. Professor makes these comments for last lecture today. Please give additional interpretation  
that teachers' responses to the interpretation that teacher has made in the previous lesson on the reading  
material. Please make connections between the reading material and the reading material from today.  
It also can be asked what other students' thoughts regard your answer? If it is difficult, the class  
members can discuss among themselves in this situation.
13. Now like the Professor's interpretation and Professor's, please discuss interpretation of "New Values".  
They are strong related to their life's condition. That is, according what everybody interprets this  
interpretation, there are many points and characteristics that professor did not communicate.
14. Using like New Professor's analysis that environmental issues, another issue about clean environment  
negligence is about Plutonium's policies which seems many countries trying to cut back on environment issues  
and its relationship to economic development. Another issue about Plutonium's clean environment  
policy is about Plutonium's policies regarding about its policies and how Plutonium's policies  
have effects on the society. These issues by Plutonium's policies
15. "environmental situation in Kazakhstan has deteriorating opportunities"  
What are given below good and poor? (not related)  
What are given below connected or relating?  
What are given below connected closely?  
What are given below connected closely enough?  
In this question, the teacher needs to consider opportunities and possibilities. Information about  
the environment issues requires opportunities for university students who care about the environment  
for education to take up environmental issues. Plutonium's policies about the environment are changing and progress  
throughout the country.
