

Memorandum

Dated: 14 January 2023

To: Sales & Marketing Group

From: Praveenkumar Revankar, Product Engineering

Subject: Delay in release timelines of Feature A and Feature B.

Purpose:

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

Background/Context:

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

Action:

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1_Paused" and "Q1_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

Conclusion:

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,
Praveenkumar Revankar

March Common Paper Memorandum 24:

Foreign Relations of the United States United States. Department of State, 1976 The General and the Politician John W. Malsberger, 2014-03-27 As historian and author John W Malsberger writes in *The General and the Politician* Dwight Eisenhower Richard Nixon and American Politics no two political figures could have taken more different routes to the Presidency than did America's 34th and 37th Commanders in Chief Thrown together largely for political convenience by a Republican party struggling to reinvent itself through years of post Depression Democratic dominance Dwight Eisenhower and Richard Nixon came to embody two radically different styles of leadership simultaneously defining for the American electorate where American politics had been and where they were headed While debate has raged amongst historians over the level of hostility the two men were rumored to harbor for one another there is as Malsberger points out a more accurate reading of their relationship available to us if we examine all the facts Taken in a broader context their relationship was much less a momentary collision of dissident styles and values than a genuine watershed moment in American politics from which our current political spectrum and electorate can trace their roots *The General and the Politician* thoroughly and accessibly details the intersection of two of 20th Century America's most powerful figures and examines their tenuous but transformative relationship to reveal the origins of political discussions and debates that we're still having today

Granatstein, Robert Bothwell, 1991-01-01 *Charles Lee* Dominick Mazzagetti, 2013-10-01 Dominick Mazzagetti presents an engaging account of the life of Charles Lee the forgotten man of the American Revolution History has not been kind to Lee for good reason In this compelling biography Mazzagetti compares Lee's life and attributes to those of George Washington and offers significant observations omitted from previous Lee biographies including extensive correspondence with British officers in 1777 that reflects Lee's abandonment of the Patriots cause Lee a British officer a veteran of the French and Indian War and a critic of King George III arrived in New York City in 1773 with an ego that knew no bounds and tolerated no rivals A highly visible and newsworthy personality he quickly took up the American cause and encouraged rebellion As a result of this advocacy and his military skills Lee was granted a commission as a major general in the Continental Army and soon became second in command to George Washington He helped organize the defense of Boston designed defenses for New York City and commanded the force that repelled the British attack on Charleston Upon his return to New York in 1776 Lee was considered by some leaders of the Revolution to be an alternative to George Washington who was in full retreat from British forces Lee's capture by the British in December 1776 put an end to that possibility Lee's subsequent release in a prisoner exchange in 1778 and return to an American command led to a dramatic confrontation with Washington on the

battlefield at Monmouth New Jersey in June 1778 Washington chastised Lee publicly for ordering an unnecessary retreat Lee suffered the ignominy of a court martial conviction for this blunder and spent the remaining years to his death in 1782 attacking Washington Although few doubted Lee s loyalty at the time his actions at Monmouth fueled speculation that he switched sides during his imprisonment A discovery years after his death completed Lee s tale In 1862 a researcher discovered Mr Lee s Plan a detailed strategy for the defeat of the American rebels delivered to British General William Howe while Lee was held in captivity This discovery sealed Lee s historical record and ended all further discussion of his contributions to the American Revolution Today few people even realize that Fort Lee on the New Jersey side of the George Washington Bridge was named in his honor *The Washington Law Reporter* ,1900 Includes decisions of the District of Columbia Court of Appeals 1902 1934 the United States Court of Appeals for the District of Columbia Circuit 1934 1959 and various other courts of the District of Columbia *Papers and Proceedings* American Library Association.
