Escape from reality Ali Almawali Alhemeidan,2025-07-07 Humans come in all shapes and sizes and no matter how different their faces they all have one thing in common they carry both good and evil Within every human being lies light and shadow mercy and cruelty honesty and deceit But what makes one person lean toward good and turn into a balm And what makes another slide toward evil and become poison to those around them Is it upbringing Is it childhood Is it authority or need or an old wound that has never healed This book neither judges nor justifies but rather asks and investigates Why does a person choose one face over another And why do we hide some of our faces and sometimes live in a different image than the one we know ourselves to be Escape from Reality David Crane,2010-07-08
