**The Motivated Worker** Brad Ward, 2020-11-11 How can managers and executives motivate workers to make them happier and more productive? How can employees find meaning and motivation in their careers? The classic Two Factor Theory, a simple, time-tested model for conceptualizing job satisfaction, is here re-imagined for a modern world with relevant examples and backed by dozens of academic studies that organizational leaders can draw upon to improve worker motivation. The Universal Dual Factor Survey (UDS) is introduced, providing a means to assess workforce job satisfaction. Managers will be able to understand which factors need improvement, leading to more meaningful work. Employees at all levels of business, government, and nonprofit organizations will be able to improve personal motivation, facilitating a more cohesive and thriving workforce.

**Responsible Strategic Thinking for Business and Society** Olivia Ramsbottom, 2025-07-10 This exciting new text investigates the true essence of strategic thinking and explores the need for alternative, responsible approaches in a complex global environment. Existing definitions of strategy and strategic management and leadership are examined, challenging previous ways of thinking that no longer relate to the way private, public, and third sector organisations operate. Enriched by a diverse and experienced panel of contributors, chapters characterise the global systems which influence strategic thinking by spanning themes of politics, economics, society, technology, the legal framework, leveraging Generation Z's values, environmental sustainability, and ethics. Supported by detailed global case studies from well-known and smaller brands, examples show how business and organisation leaders have thought differently to bring about change. The work concludes by providing a systemic view toolkit which shows what can be done to optimise strategic thinking for change and longevity. To aid comprehension, each chapter includes a clear outline and Key Points, as well as a summary. Written in an accessible style, this title is intended as introductory and recommended reading for advanced undergraduate and postgraduate students of Strategic Management and Leadership who are interested.
