

Crime and punishment in Britain, c1000-present

How to answer the questions...

Question 1 4 marks	Question 2a 8 marks	Question 2b 4 marks	Question 3 4 marks	Question 4 12 marks	Question 5 or 6 16 marks + 1spag
Describe two features of...	Study source A and B How useful are sources A and B for an enquiry into the ...	Study source A How could you follow up Source A to find out about ...?	Explain one way in which... differ/similar	Explain why there were changes in... (You are given two bullet points to help support you in this answer)	'Statement' followed by How far do you agree? (You are given two bullet points to help support you in this answer)
State two features Describe them in more detail	For each source think about the following: Content What information in the sources is relevant to the enquiry? How useful is this information? Provenance Nature: the type of source it is Origins: who produced it and when Purpose: the reason the source was created How do these things impact on the usefulness of the source? Context Use your own knowledge of the enquiry topic to evaluate the source. Is the information in the source accurate compared to what you know?	Pick out a quote/ section of the source you would like to follow up on What question might you ask about this quote in relation to the question? What source might you use to help you to find out this information? Link this to the question focus How will this information help you to answer the question you have posed? Try to explain this linking it to the source you have chosen and the question enquiry	States the change/ similarity Gives specific examples from both time periods mentioned in the question Explains the difference between the two time periods and possible factors causing change	Gives one factor on change Backs up with supporting evidence Explanation is linked to the question and why changes took place Gives a second factor on change Backs up with supporting evidence Explanation is linked to the question and why changes took place Gives a third factor on change (this must be different to the bullet points) Backs up with supporting evidence Explanation is linked to the question and why changes took place Overall judgement on the factors affecting change	Line of argument/ opinion is stated in the introduction Gives points and evidence to support the statement in the question. Analytical explanation linked to the question. Gives points and evidence to disagree with the statement in the question. Analytical explanation linked to the question. (You must include evidence in addition to the two given bullet points) Conclusion links back to the original argument and backs it up with supporting detail and explanation.
