Congress. House. Committee on Agriculture,2015 *Pacific Region Livestock Review ,2013-07* Foreign Direct Investment in Agriculture Jan Schüpbach,2015-10-07 Foreign direct investment in agriculture and land has increased substantially since the 2007 2008 food price crisis However there is a severe lack of quantitative evidence on its economic impact Therefore the primary goal of this study was to collect and analyze empirical evidence in order to better understand the potential benefits and pitfalls of such investments and related processes of agricultural commercialization In particular the study tests the effect of two strategies for including smallholder farmers into modern food supply chains 1 Outgrower schemes i e a type of contract

farming whereby small scale farmers produce crops for large scale farming enterprises 2 Wage employment on large scale estates The central part of the study looks at one specific investment project in the Zambian sugar cane sector This sectoral focus was supplemented by a broader cross sectoral analysis of a large nationally representative panel survey Overall the evidence suggests that large scale investments by foreign as well as domestic companies and especially the model of cooperation with smallholder farmers in outgrower schemes can indeed have positive and significant effects on the income and wealth of rural households

International Review of Agricultural Economics ,1921 **China's Domestic and International Migration Development** Huiyao Wang,Lu Miao,2019-03-09 This book offers the most comprehensive up to date assessment of China s domestic and international migration Restructuring economic development requires large numbers of educated and skilled talents but this effort comes at a time when the size of China s domestic workforce is shrinking In response both national and regional governments in China have been keen to encourage overseas Chinese talents and professionals to return to the country Meanwhile the Chinese government has initiated a number of policies to attract international highly skilled talents and enhance the country s competitiveness and some Chinese policies have started attracting foreign talents who are coming to the country to work and even to stay Since Chinese policies mechanisms and administration efforts to attract and retain skilled domestic or overseas talents are helping to reshape China s economy and are significantly affecting the cooperation on migration and talent mobility these aspects in addition to being of scholarly and research interest hold considerable commercial potential *Congressional Record* , Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations for 2016 United States.
