different circumstances she might not even notice the looks or not care But from the first she knew he d be trouble Looks would lead to dirty thoughts and the dirtier his thoughts the hornier she d have to be That was how the curse worked She was reduced to rocking in her seat to ease the throbbing ache in her bottom Every hole in her body wanted to be filled even the most inconvenient ones When the waiter returned she felt his desire pass over her like a hot cloud She moaned aloud when he poured fresh water in Scott s glass Both men stared at her one intrigued the other scared Kimberly s eyes locked onto the waiter s and a devilish smirk bent his face When he d gone Scott leaned over the table Do you know him Um no She chewed on a nail I mean no I mean maybe Sorry I have to use the bathroom Didn t you just His words were swallowed up by the ringing in her ears She rushed between the crowded tables flames licking at her tender buttocks Men turned to watch her pass Was she so extraordinarily desirable Or did all men need to picture her naked before they went back to chewing their garlic bread It didn t matter All that mattered was that she felt it too She felt the waiter s desire reflected and magnified inside her If she didn t act on it she d explode She wasn t sure if she d literally explode but when the urge came over her when she absolutely had to have it her heart beat like a rabbit with twenty wolves on its tail She needed him He overwhelmed her senses His smell his eyes She longed for the feel of his fingers in her hair Tight curling fingers Needed him Needed to please him He was thinking of her The hornier he got the sharper the connection became He was thinking what he d like to do to her right there on the table If she hadn t gotten up when she did she would have begged him to right there in front of Scott No she couldn t control the curse but she knew how it worked and could at least channel her nymphomania to where it would bring her the least embarrassment The least humiliation The least shame Oh but she wanted to be shamed She wanted to be controlled dominated spanked penetrated She wanted to submit
