Writers at Work: The Essay Student's Book Dorothy Zemach, Lynn Stafford-Yilmaz, 2008-01-14. Following on from *Writers at Work: The Paragraph* and *Writers at Work: The Short Composition*, *Writers at Work: The Essay* will teach the basics of academic essay writing to intermediate-level students. In *Writers at Work: The Essay*, college and university students use the process approach to write different genres of essays common at the post-secondary level, the most important being expository, persuasive, and timed essay exams. Each chapter uses the same five-step approach to writing that is used in the two lower-level books. In each chapter, students analyze a model essay, noticing key organizational and linguistic features, brainstorm ideas, write multiple drafts, revise their work, engage in peer reviews, and share their finished work. Chapters recycle and build upon previously taught material.
