**New England Shepherd** ,1970 **Civil War Recipes** Lily May Spaulding,John Spaulding,2014-04-23 Godey s Lady s Book perhaps the most popular magazine for women in nineteenth century America had a national circulation of 150 000 during the 1860s The recipes spelled receipts it published were often submitted by women from both the North and the South and they reveal the wide variety of regional cooking that characterized American culture There is a remarkable diversity in the recipes thanks to the largely rural readership of Godey s Lady s Book and to the immigrant influence on the country in the 1860s Fish and game were readily available in rural America and the number of seafood recipes testifies to the abundance of the coastal waters and rivers The country cook was a frugal cook particularly during wartime so there are a great many recipes for leftovers and seasonal produce In addition to a wide sampling of recipes that can be used today Civil War Recipes includes information on Union and Confederate army rations cooking on both homefronts and substitutions used during the war by southern cooks

A Taste of Power Katharina Vester,2015-10-02 A Taste of Power is an investigation of the crucial role culinary texts and practices played in the making of cultural identities and social hierarchies since the founding of the United States Nutritional advice and representations of food and eating including cookbooks literature

magazines newspapers still life paintings television shows films and the internet have helped throughout American history to circulate normative claims about citizenship gender performance sexuality class privilege race and ethnicity while promising an increase in cultural capital and social mobility to those who comply with the prescribed norms The study examines culinary writing and practices as forces for the production of social order and at the same time as points of cultural resistance against hegemonic norms especially in shaping dominant ideas of nationalism gender and sexuality suggesting that eating right is a gateway to becoming an American a good citizen an ideal man or a perfect mother Cookbooks as a low prestige literary form became the largely unheralded vehicles for women to participate in nation building before they had access to the vote or public office for middle class authors to assert their class privileges for men to claim superiority over women even in the kitchen and for Lesbian authors to reinscribe themselves into the heteronormative economy of culinary culture The book engages in close reading of a wide variety of sources and genres to uncover the intersections of food politics and privilege in American culture Provided by publisher
