- Describe the reasons for maintaining a budget
- Build a budget by prioritizing needs and wants
- Develop a system for tracking income, spending, and savings
- Devise a contingency plan for covering unexpected expenses

Complete this lesson worksheet while completing the module online.

1. How would you prioritize spending?

I would prioritize the majority of my spending for saving for future education in college and for short-term goals like concerts and trips.

2. What are some spending areas that might be prioritized by people, yet shouldn't be?

People might prioritize very short-term goals like concert tickets, which should not be prioritized over long-term goals.

3. What are some spending areas that should be prioritized but often aren't?

- Emergency fund
- Medical expenses

4. What are some of your long-term financial goals that might be achievable by creating a budget and sticking to it? Identify TWO.

- Higher Education
- Moving to California

5. What tool or system would you consider using to help you stick to your budget?

I would consider setting up an automated savings plan.

6. How much do you think you should have in your emergency fund? Why this amount?

I think that I should have about \$1000 in my emergency fund. This is enough money to cover most unexpected emergencies that may present themselves at this point
