Generals Die in Bed Charles Yale Harrison, 2007 First published London N Douglas 1930 New York Morrow 1930

Generals Die in Bed Charles Harrison, 2004 Drawing on his own experiences in the First World War Charles Yale Harrison tells a stark and poignant story of a young man sent to fight on the Western Front It is an unimaginably harrowing journey especially for one not yet old enough to vote In sparse but gripping prose Harrison conveys a sense of the horror of life in the trenches Here is where soldiers fight and die entombed in mud surrounded by rats and lice forced to survive on insufficient rations Harrison captures the only kind of humour possible under the circumstances of life on the Western Front dark and sardonic a mingling of comedy and horror **Generals Die in Bed** Charles Yale Harrison, 2009 A stark and poignant story that brings to life the fight on the Western Front during the First World War through the eyes of a twenty year old narrator This is the story of a young soldier and his disillusionment when facing the horror and inhumanity of war

Generals die in bed Charles Yale Harrison, 1930 **Generals Die in Bed [sound Recording]** Charles Yale Harrison, 197? *Skills Mania* Bob Davis, 2000 In *Skills Mania* Bob Davis argues passionately that the emphasis in the secondary school classroom must shift from a technocratic skills based approach to teaching and discussion that focuses on real substantive issues He also calls for a new emphasis on the teaching of history a practice that has been sadly lacking in recent years Two central qualities warm up this book first the story is told through the author's own teaching and second the author presents us with an original and frank point of view This is a stirring engaged and practical book **Death So Noble** Jonathan Franklin William Vance, 1997 Examines the ways in which Canadians remembered and celebrated their participation in WWI viewing the war as a cultural and philosophical force as opposed to a political and military event Looks at the country's mythical reconstruction of the war and recounts how the myth's proponents responded to conflicting visions of the war Touches on the symbolism of the soldier Canadian nationalism and the idea of a just war drawing on memoirs newspaper reports and popular culture Includes bandw photos Annotation copyrighted by Book News Inc Portland OR

Charles Yale Harrison's Generals Die in Bed Ross Walker, 2005 [Progressive Heritage](#) James Doyle, 2006-01-01 Most critics and literary historians have ignored Marxist inspired creative literature in Canada or dismissed it as an ephemeral phenomenon of the 1930s Research reveals however that from the 1920s onward Canadian creative writers influenced by Marxist ideas have produced a quantitatively substantial and artistically significant body of poetry drama fiction and non fiction This book traces historically and evaluates critically this tradition with particular emphasis on writers who were associated with or sympathetic to the Communist Party of Canada After two chapters surveying the work of anti capitalist writers of the nineteenth and early twentieth centuries the book concentrates on the development of Marxist inspired writing from the 1920s to the end of the twentieth century Besides devoting attention to both social and theoretical backgrounds this study provides critical commentary on work by prominent writers who spent part of their literary careers as

Communist Party members including Dorothy Livesay Patrick Anderson Milton Acorn and George Ryga as well as less well known but more fervent Communists such as Margaret Fairley Dyson Carter Joe Wallace Stanley Ryerson and Jean Jules Richard Although primarily concerned with the older generation of Marxists who flourished between the 1920s and the 1970s the book also includes a chapter on the post 1970s New Left

Evangelical Century Michael Gauvreau, 1991 The Evangelical Century will undoubtedly transform the way Canadian intellectual history is interpreted Michael Gauvreau reassesses the explanations of the role of religion in English Canadian society put forth in the last twenty years by Ramsay Cook A B McKillop and Richard Allen and makes an important contribution to our understanding of the relationship between theology culture and society
