Genesis True Immortals 1:

The Chautauquan ,1906 Christian Unity Through God's Starter Kit by Jesus William McCracken,Bill McCracken,2012-05 Christian Unity Through God s Starter Kit By Jesus was written by Bill McCracken from the perspective of a layman that determined in his heart to do things God s way on October 18 1983 and after about a year of peace found himself in a battle he wasn t prepared for by his church This is the story of what God has taught him through the eyes of the Bible our window to the spiritual realm He found that through God s riches in Christ Jesus that God had given him a Starter Kit of truth wisdom righteousness sanctification justification glorification holiness remission redemption mercy grace and peace with God so we can take that Starter Kit and become wise righteous sanctified just trustworthy holy washed in His Word redeemed merciful compassionate peacemakers so that he could go into spiritual warfare knowing who he is in Christ Jesus Bill also found that we as Christians are all one in Christ Jesus according to Galatians 3 26 28 and that God s Word says that God wants no divisions among his people in First Corinthians 1 10 plus other scriptures that tell us to be in one accord likeminded of one mind that we all speak the same thing that we be perfectly joined together and that we should all come together in the unity of the faith Sadly Bill found that Christianity is deeply divided and splintered with over 38 000 different denominations worldwide and 1 500 in the United States alone We must come together as one and defeat our one and only enemy satan and his demons Fortunately when Bill came to God he literally did not know an epistle from an apostle and God could take that empty vessel and fill it with the truth from God s Word He received the baptism of the Holy Ghost on November 26 1983 and then could begin to teach him through ministering to others failure or experience the fire books and tapes preaching and it s amazing what you learn when you look up a word in a Bible concordance and learn the definition from the Greek dictionary You know the definition and then see how God teaches it in the Bible and it really isn t that difficult Learn about God s Starter Kit by Jesus born again repentance baptism the baptism of the Holy Spirit and fire and the armor of God Learn what a fiery dart is and how to defeat the fiery darts of the wicked and the story of satan and God s plan through Christ Jesus that defeated him Learn about the covenant God has made with His children through His Son and then the authority He has given Christians in the spiritual realm in the Name of Jesus Revelation 12 11 And they overcame him the devil by the blood of the Lamb Jesus The Word of God and by the word of their testimony Our testimony is very important to help others overcome the works of the devil when we combine it with the works of the cross and the Word of God First John 3 8 For this purpose the Son of God was manifested that He might destroy the works of the devil God s blessings Bill McCracken *Life in Christ* William Robert West,2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the

person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman,2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all

The Fifth Gospel (New Edition) Stephen J. Patterson,Hans-Gebhard Bethge,James M. Robinson,2011-10-27 In December 1945 at the base of cliffs that run along the Nile River near the modern day town of Nag Hammadi an Egyptian farmer discovered a sealed jar containing thirteen ancient Coptic codices This discovery represented arguably the most significant manuscript discovery of the twentieth century for the study of the New Testament and Christian origins Of all the texts found none has been more important than the Gospel of Thomas for our understanding of early Christianity This classic book presents the best text and the best translation of Thomas in user friendly form Additional chapters provide a general introduction to the Gospel of Thomas and tell the fascinating story of that discovery itself by one

who was directly involved in bringing this new Gospel to light An annotated list for further reading completes the volume This new edition features updated material which takes account of recent research on the gospel of Thomas The translation has been refined at points and the bibliographical material updated *The Christians' God Does Not Exist! Yes, He/She Does!* Proncell F. Johnson Jr.,2018-02-22 The Christians God Does Not Exist Yes He She Does By Proncell F Johnson Jr Carl Sagan popular astronomer cosmologist astrophysicist and astrobiologist wrote We are Star Stuff which has taken its destiny into its own hands The scientific community basically agrees that everything is made of atoms Proncell F Johnson Jr says that they are all wrong Johnson shows that the material universe along with us mortals is one big illusion for all things are actually incorporeal spiritual the manifestation of the spiritual being we Christians have come to call God He says that the realization of and utilization of this fact will enable one to duplicate for himself the so called miracles of Christ Jesus in degrees thus proving the existence of this God and the non existence of matter Johnson s proof is based upon a law of physics that make it all but impossible to refute as the below reviews confirm The Infinite Nature of Man Rolf A. F. Witzsche,2003

Immortal Birthright Evelyn Theresa Watson,2013-11-26 Your Passport I am the author and expounder of HISTORICAL PHASES OF PROPHETIC TEACHING with its companion guide the Mortal Immortal Golden Rule of Measure This Bible commentary and slide rule are your passport for gaining spiritual insight into the mystery and miracle of biblical prophecy This passport provides ways to search the scriptures and loose the seals signs of a primitive statutory code of ethics These seals as the signs of the times will answer the questions posed by the revelator St John the Divine Who is worthy to open the book and loose the seals thereof I dedicate this booklet IMMORTAL BIRTHRIGHT to the ancient people who wrote and preserved the original scrolls of biblical prophecy and to those translators who presented to the world the AUTHORIZED KING JAMES VERSION of THE HOLY BIBLE **Truth Aflame** Larry D. Hart,2010-02-23 Larry Hart s Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged

other sources of authority And what are the implications of confessing the Bible to be authoritative The Bible Culture Community and Society seeks to answer these questions covering three core themes First reading the Bible in the context of modernity the challenges the intellectual history of modernity has posed to the Bible s authority and how historical work can co exist with a commitment to the Bible as the Word of God Secondly the Bible as a text that forms the church community how the Bible as an authoritative text shapes a culture Thirdly reading the Bible as a public text and the challenges posed by holding to the Bible as the Word of God in a religiously diverse context The highly distinguished contributors include Ben Quash David Ferguson Angus Paddison and Zo Bennett
