Ethics and Political Theory Joseph Grčić, 2000 In Ethics and Political Theory Joseph Grčić explores the ways in which the ideas of John Rawls can be implemented to realize the ideals of liberal democracy Many of the essays evaluate Rawls' discussion of the relationship between liberal democratic equality and economic liberty Grčić argues that Rawls has not fully considered how differences in income and wealth restrict political equality in Western capitalist democracies However Grčić contends that a practical extension of Rawls' theory does suggest ways to reform democratic societies These include the public financing of all election campaigns and free legal representation In an attempt to clarify the nature and foundations of political power Grčić also advocates a new approach to ethics which focuses on the social functions of moral values rather than individual agency This book is unique in its attempt to deal with both theoretical and applied questions making it an important resource for philosophers and those interested in actual political reform

Mouse Morality Annalee R. Ward, 2010-01-01 2004 Clifford G. Christians Ethics Research Award. The Carl Couch Center for Social and Internet Research. Kids around the world love Disney animated films and many of their parents trust the Disney corporation to provide wholesome moral entertainment for their children. Yet frequent

protests and even boycotts of Disney products and practices reveal a widespread unease with the sometimes mixed and inconsistent moral values espoused in Disney films as the company attempts to appeal to the largest possible audience In this book Annalee R Ward uses a variety of analytical tools based in rhetorical criticism to examine the moral messages taught in five recent Disney animated films *The Lion King* *Pocahontas* *The Hunchback of Notre Dame* *Hercules* and *Mulan* Taking the films on their own terms she uncovers the many mixed messages they purvey for example females can be leaders but male leadership ought to be the norm stereotyping is wrong but black means evil historical truth is valued but only tell what one can sell etc Adding these messages together Ward raises important questions about the moral ambiguity of Disney's overall worldview and demonstrates the need for parents to be discerning in letting their children learn moral values and life lessons from Disney films
