

Zeus

Zeus was the king of the Olympian gods. He was known for overthrowing the Titans. The Titans were the original or old Greek gods. The Titan King and Zeus's father, Cronus, was swallowing all of his children. Cronus was afraid of being overthrown by his children. Zeus' mother hid him from his father, so Cronus could not eat him. After growing up in secret, Zeus tricked his father into spitting out his siblings and led his siblings in a battle against the Titans. Zeus and his brothers and sisters overthrew the Titans and ruled Mount Olympus. During the war with the Titans, Zeus freed the monsters to help the Olympians fight the Titans. The monsters gave the Olympians

powerful weapons. After defeating the Titans, Zeus became king of the Greek gods. Zeus was the god of the sky and thunder. Zeus was the most powerful of the Greek gods and goddesses. He could control the weather and throw thunderbolts. Zeus had several brothers and sisters who were also Greek gods. Zeus married his sister Hera. Marrying a sibling was a common practice for the Greek gods. Zeus had many children with many women. Some of his children were Greek gods, and some of his children were half-gods that became Greek heroes. As the king of the Olympic gods, Zeus ruled over the gods and the humans on earth. Ancient Greeks held the Olympic Games every year to honor Zeus.

Greek And Roman Mythology Key Answers
