**Breathing Aesthetics** Jean-Thomas Tremblay, 2022-08-29 In *Breathing Aesthetics* Jean Thomas Tremblay argues that difficult breathing indexes the uneven distribution of risk in a contemporary era marked by the increasing contamination weaponization and monetization of air Tremblay shows how biopolitical and necropolitical forces tied to the continuation of extractive capitalism imperialism and structural racism are embodied and experienced through respiration They identify responses to the crisis in breathing in aesthetic practices ranging from the film work of Cuban American artist Ana Mendieta to the disability diaries of Bob Flanagan to the Black queer speculative fiction of Renee Gladman In readings of these and other minoritarian works of experimental film endurance performance ecopoetics and cinema v rit Tremblay contends that articulations of survival now depend on the management and dispersal of respiratory hazards In so doing they reveal how an aesthetic attention to breathing generates historically culturally and environmentally situated tactics and strategies for living under precarity

*Curatorial Intervention* Brett M. Levine, 2021-05-18 *Curatorial Intervention* History and Current Practice is a critical analysis of the dynamic roles curators play in shaping mediating and at times redefining the artist audience exchange Focusing on contemporary curatorial practice this work critically examines the ways in which curators impact artists intentionality and how this alters audiences experiences of reception Through discussions with leading artists curators and arts administrators Brett Levine posits a new paradigm for defining and contextualizing curatorial practice while exploring how the former dialectic of intention and reception is today defined by the triad intention intervention reception After situating the more traditional artist audience relationship he explores how extant theories of the art experience fail to either provide for curatorial practice or contextualize its operations while also overlooking questions of transparency agency and

power Offering a new professional and operational model Curatorial Intervention highlights how the artist curator and curator audience relations displace and at times redefine the experience of works of art In response to the disenfranchisement of curatorial practice and the emergence of every act of discernment being transformed into curating as little more than a fashionable pastime the author reasserts the dynamic roles that exist between artist curator and audience and between object operation and experience *The Athenaeum* ,1860 *Spirit of the Times and the New York Sportsman* ,1864 Forthcoming Books Rose Arny,1998-04 **Consumer Health & Nutrition Index** ,1986 **Canadian Periodical Index** ,1997 **Be My December** Rachel Brookes,2014-08-28 Warning This book contains content that may be offensive to some readers including sexual assault flashbacks adult situations and graphic language I knew the exact moment I d become a yes girl December 16th a cold winter s night four years ago The night my innocence was stolen the night I made the mistake of saying no a mistake I d never make again The dream of a happily ever after was now a locked away myth I promised myself that I d never return to the place of my worst nightmare that I d never let anyone get close but then again I never thought I d meet someone like him The intense confident and beautiful Ky Crawford I had no plans to become someone s Prince Charming I couldn t be I refused to be My plan was simple do whatever it takes to correct my biggest mistake my one regret that now controlled my life I was on track I had plans but then everything changed when I saw her the girl in the red jacket the girl who I was told couldn t say no The reserved yet stunning Eden Rivers A girl who can t say no A guy who craves redemption A chance encounter It all comes down to this One question One month Be My December *The British National Bibliography* Arthur James Wells,1992 **Just Breathe** Linda Levit,2020-06-22 Just Breathe Tom Bhowey,2021-04-16 55% off for bookstores Bundle paperback BW Only for a Limited Time Discounted Retail Price at 39 99 Instead of 47 99 Buy It NOW and let your customers get addicted to Just Breathe Book **JUST BREATHE.
