The Golden Key to Executive Coaching Janet S. Steinwedel,2015-09-23 The Golden Key to Executive Coaching is a unique contribution to the field of professional leadership development What distinguishes Janet Steinwedel s approach is her incorporation of the lessons of depth psychology particularly the work of Carl Jung into her outlook and methodology Within this accessible volume Dr Steinwedel also offers practical wisdom gleaned from her academic background in Human and Organizational Systems in such corporate roles as Director of Leadership and Business Effectiveness at AstraZeneca Pharmaceuticals Assistant Vice President of Leadership and Organization Development at Delaware Investments and 10 years as President of Leader s Insight her own executive coaching company While The Golden Key is primarily written as a guide for other executive coaches it contains much of value for all those seeking to more fully integrate their authentic selves into their professional careers It may also serve as a plain language primer to the thought of Carl Jung one of the most insightful far reaching minds of the 20th century Janet Steinwedel s The Golden Key is a profoundly useful addition to the theory and practice of coaching What so many of her predecessors have missed is the simple but ineluctable fact that both participants coach and client are human beings with their own psychological mechanisms and processes Her book brings many of the insights of depth psychology to the practitioner who otherwise may be limited to behavioral strategies which in the end are always undermined by the human psyche No relationships can be any more evolved than how we are related to our inner world for what we ignore there will continue to tumble through us into the world Steinwedel s book brings insights and tools to this collaborative process which can only deepen the coaching practice through deepening the practitioner
