The authors present the fundamental concepts of managerial accounting in an easy-to-understand fashion in a decision-making framework for a one-semester undergraduate managerial accounting course. With an expanded emphasis on student learning, Weygandt Managerial Accounting 6th Edition demonstrates how invaluable management accounting information is to business decision-making. The decision-making pedagogy, easy-to-understand writing style, and quality end-of-chapter material have been the hallmark features that have made Managerial Accounting by Weygandt, Kimmel, and Kieso one of the most popular books for this course. Real-World Emphasis: The authors continue the practice of using numerous examples from real-world companies in chapter openers and in the Management Insight boxes.
