Driving the Dragon Mark Andrews, 2025-04-15 China is now at the forefront of electric vehicle adoption and a wave of Chinese manufactured cars is now hitting Europe and the West As the world's largest car producer since 2008 China's automotive industry deserves a closer look *Driving the Dragon* explores the history of Chinese car manufacture looking at some of the important cars on that journey the false starts and missed opportunities The story begins with the Rover 75 and how it played a key role in moving the Chinese car industry forward It concludes with a look at cars from the likes of BYD Zeekr and Nio which are becoming mainstream in the UK and Europe as some of the most competitive electric vehicles on the market not just in terms of price but also performance and desirability For many people China is still a very enigmatic country not helped by recent political events While the book focuses on the automotive industry it also looks at the country itself and examines the culture surrounding the industry The author spent 30 years in China teaching test driving and reviewing Chinese cars and writing while witnessing first hand the extraordinary growth of the Chinese car industry

**Discourse Markers in Interaction** Maria-Josep Cuenca, Liesbeth Degand, 2022-09-06 The aim of this volume is to bring together researchers interested in investigating the role that Discourse Markers play in language production and comprehension from an experimental or corpus based perspective In any kind of human communication Discourse Markers are part of the game This omnipresence informs us of a crucial inherent aspect of human language Yet as a linguistic category Discourse Markers remain underdetermined To gain deeper insight into this complex linguistic category more systematic work is needed on the production and on the interpretation of Discourse Markers in a variety of situational settings resorting to different methodological approaches The contributions in this volume aim at drawing more attention to the double face of Discourse Markers namely as signals intentionally used by the speaker to facilitate the addressee's interpretation of the discourse but also as potential traces of the speaker's production difficulties The combination of experimental and corpus based approaches and the focus on processing of Discourse Markers in both production and comprehension makes this volume a unique contribution in answering the question why we use Discourse Markers in certain situations but also when we do not
