If The Sky Falls:

If the Sky Falls Nicholas Montemarano, 2005-10-01 If the Sky Falls is the debut short story collection from award winning fiction writer Nicholas Montemarano These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams Redemption in these intense and sometimes violent stories is found in the lyrical prose in the act of storytelling itself A young man tries to rescue his sister from her abusive lover and in the process must revisit his own family's violent history Note to Future Self a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club The Usual Human Disabilities a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim The Other Man In The November Fifteen a man is taken from his home and tortured though he has no idea why when he returns home he finds a different kind of torture awaiting him Two of the stories Shift and the Pushcart Prize winning The Worst Degree of Unforgivable are stylistic tours de force But style in this collection is always at the service of story Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation his work is innovative without being flashy sincere without being sentimental In an age of hype If the Sky Falls truly is the real thing an original and important achievement in the short story form *When the Sky Falls* Phil Earle, 2022-04-05 A boy and a gorilla create an unbelievable bond in this powerful WWII tale for young readers for fans of Alan Gratz and Michael Morpugo A wonderful story of hurt kindness and what it means to be human in an inhumane world The Times of London Children's Book of the Year In 1940 with his father off to war Joseph is sent on a train out of his British town into the care of Mrs F a gruff woman with no great fondness for children But he soon discovers her softer side when she takes him to the rundown city zoo and he learns she is the only one who ever checks in on it Many of the animals have escaped been released or have sadly starved but not Adonis a huge silverback gorilla Adonis is strong and ferocious and a danger to the whole city if a bomb should fall and damage the fence that keeps him in But as Joseph struggles in his new school and starts to spend more time at the zoo he finds unexpectedly Adonis becoming a loyal new friend From acclaimed author Phil Earle comes a touching historical fiction story of how a boy and a gorilla find redemption in each other amid the toughest of circumstances Children's Fiction Book of the Year Winner at the British Book Awards Leadership When the Sky Falls Robert Hurst, 2008 This is the story about a man that didn't straddle the fence of life In everyone there is a combination of good and evil that creates a tug of war within one's inner self This is very normal and consistent from one person to the next Therefore some people tend to do more good than evil socially and some tend to do more evil than good All of this balance depends on the amount of good versus the amount of evil contained deep in the soul of a person's inner self But this story tells of a man that possesses only one trait This trait is 100% evil and inside this man there is no tug of war He is everything that is left after all good has been stripped away He has no conscience or moral values There is nothing that this man won't do or say in his vicious chase for money and power He can be best described as the total package for your

worst nightmare T P is the name that has been ordained to this man of evilness T P carries within himself a deadly cheat and a vicious evil which he conceals under a warm smile a nice looking friendly face and breathtaking charm He is king of predators and T P must be destroyed The coldness and the evilness possessed by this man of darkness generate an atmosphere identical to a light breeze with cool chilling effects when first felt This breeze can be best described as a Night Wind Without further a do prepare yourself for shocks and chills as the saga of Night Wind unfolds unto you **When the Sky Falls** Lucía Ashta, 2022-09-25 Huzzah I made it to my twenty third birthday Given how much dragon magic I have rolling through me now doing its best to cook me from the inside out this feat is no small thing I ve earned a hearty celebration and then some I m gonna party down at Sharmayne s and let her ply me with as many of her cocktails as she wants Her magic touch is exactly what I need after how nutty life in Traitor s Den has been lately I deserve every hypnotic milky swirling Moon Mixer she sends my way Hell I might get fancy and skip right on to a Roll in the Hay maybe even a Sirens on the Rocks and if I m tipsy enough end the night with a Dragon Slayer like a proper wild child Who needs to be clear headed anyway For one night I can be one clown short of a circus All the responsibility of being both sheriff and mayor of our fine one way town will still be waiting for me tomorrow It always is A night at Sharmayne s oughta leave me loose and ready to finally take advantage of all the dragon shifter Rhett and the vampire Zeke keep trying to offer me every damn day all day long and into the night Their looks are heated enough that if all the power inside me weren t already threatening to give me a good cookin their constant seduction would Those men could sell heat to a roasting fire But trust me what they re sellin I m lookin to buy They say I m their mate Their queen Well bring it on I m wearing my favorite dancin boots Near on every free woman in the Den is looking to move in on them Good thing they ve only got eyes for me And since I m also the one stuck dealing with all the trouble they cause and they get into trouble faster than a balloon at an overcrowded porcupine party I may as well reap the benefits too It s past time to examine the goods Of course just when I m starting to get hot and heavy with my two guys a knock on the door upends my world yet again Why in tickled tarnation does nothing in our town ever go down the way it s supposed to Cause plans are for losers apparently Even when they re no plan plans my specialty Well at least I ain t complainin none Not one tiny little bit Not with who s on the other side of my door Not till the sky starts falling anyhow A sexy fantasy western with growly shifters sketchy vamps peculiar mages and creatures and one badass cowgirl sheriff Within this small town magic and gossip flow as freely as whiskey and work and pleasure are nearly the same thing Weird things happen on the regular in Traitor s Den Come and join the quirky family where everyone s packing Oh and don t mind the tiger Loretta Maybelle Ray is hot stuff When several fine cowboys vie for her affections this series becomes a reverse harem Though this series does not contain curse words but rather a comical variation of them it contains slow burn romance that eventually leads to sex on the page with more than one man Each book in the Six Shooter and a Shifter series is a full length novel that ends on a cliffhanger However a happily ever after is guaranteed for the series finale *When the Sky Falls:*

Graphic Novel Phil Earle, *When the Sky Fell* Rand Flem-Ath, Rose Flem-Ath, 1997-12-15 The fascinating truth about Atlantis leads to a chilling conclusion about the environmental catastrophe that destroyed it Now you can find out how the forces that shattered the first great civilization on Earth can happen again bringing the end of the world to us all With an Introduction by Colin Wilson Martin's Press **When the Sky Fell on Splendor** Emily Henry, 2020-02-18 From the 1 New York Times bestselling author of *Beach Read* and *People We Meet on Vacation* comes a gripping story about a group of friends in a small town who find themselves dealing with unexpected powers after a cosmic event Almost everyone in the small town of Splendor Ohio was affected when the local steel mill exploded If you weren't a casualty of the accident yourself chances are a loved one was That's the case for seventeen year old Franny who five years after the explosion still has to stand by and do nothing as her brother lies in a coma In the wake of the tragedy Franny found solace in a group of friends whose experiences mirrored her own The group calls themselves The Ordinary and they spend their free time investigating local ghost stories and legends filming their exploits for their small following of YouTube fans It's silly it's fun and it keeps them from dwelling on the sadness that surrounds them Until one evening when the strange and dangerous thing they film isn't fiction it's a bright light something massive hurtling toward them from the sky And when it crashes and the teens go to investigate everything changes *Palaestra Logica* W.
