**Academic Literacy in a Multilingual Society** Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude

students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience

**Dark Mirror** Barton Gellman, 2021-05-18 Engrossing Gellman is a thorough exacting reporter a marvelous narrator for this particular story as he nimbly guides us through complex technical arcana and some stubborn ethical questions Dark Mirror would be simply pleasurable to read if the story it told didn't also happen to be frighteningly real Jennifer Szalai The New York Times From the three time Pulitzer Prize winner and author of the New York Times bestseller Angler the definitive master narrative of Edward Snowden and the modern surveillance state based on unique access to Snowden and groundbreaking reportage around the world Edward Snowden touched off a global debate in 2013 when he gave Barton Gellman Laura Poitras and Glenn Greenwald each a vast and explosive archive of highly classified files revealing the extent of the American government's access to our every communication They shared the Pulitzer Prize that year for public service For Gellman who never stopped reporting that was only the beginning He jumped off from what Snowden gave him to track the reach and methodology of the U S surveillance state and bring it to light with astonishing new clarity Along the way he interrogated Snowden's own history and found important ways in which myth and reality do not line up Gellman treats Snowden with respect but this is no hagiographic account and Dark Mirror sets the record straight in ways that are both fascinating and important Dark Mirror is the story that Gellman could not tell before a gripping inside narrative of investigative reporting as it happened and a deep dive into the machinery of the surveillance state Gellman recounts the puzzles dilemmas and tumultuous events behind the scenes of his work in top secret intelligence facilities in Moscow hotel rooms in huddles with Post lawyers and editors in Silicon Valley executive suites and in encrypted messages from anonymous accounts Within the book is a compelling portrait of national security journalism under pressure from legal threats government investigations and foreign intelligence agencies intent on stealing Gellman's files Throughout Dark Mirror Gellman wages an escalating battle against unknown adversaries who force him to mimic their tradecraft in self defense With the vivid and insightful style that is the author's trademark Dark Mirror is a true life spy tale about the surveillance industrial revolution and its discontents Along the way with the benefit of fresh reporting it tells the full story of a government leak unrivaled in drama since All the President's Men

**A Leader's Destiny** Elias Aboujaoude, 2024-05-21 A psychiatrist puts leadership on the couch with a provocative exploration of its crucial often ignored psychological and personal character foundations Elias Aboujaoude's distinctive exploration of leadership explains how our cultlike obsession with leadership gives narcissists and sociopaths an edge and results in leadership failure everywhere we look and how resisting the imperative to rise at all costs leaves many with an inferiority complex His takedown of the leadership industrial complex pokes a very sharp elbow into an industry seemingly united in a modern form of alchemy to create leadership gold a waste of time and money Aboujaoude vividly illustrates since leaders emerge from a

unique combination of personal psychological and situational factors that cannot be easily controlled or manipulated no matter how gifted the executive coach This bracing take on a classic subject provides new insight into the way psychology aligns with the requirements of effective and happy leadership The result is to empower us to understand ourselves and step up if we have what it takes to lead or find equally rewarding often superior ways to achieve fulfillment if we don't

UNRWA and Palestinian Refugees Sari Hanafi, Leila Hilal, Lex Takkenberg, 2014-04-24 Exploring the evolution of the United Nations Relief and Works Agency for Palestine Refugees in the Near East UNRWA this book fills a lacuna in literature on the agency UNRWA and Palestinian Refugees employs recent fieldwork in order to analyse challenges in programmes and service delivery protection camp governance community participation and camp improvement and reconstruction The chapters examine the way UNRWA is adapting to a changing social political and economic context mostly within urban settings a paradigmatic shift from understanding the Agency's role as simply a provider of relief and services to one comprehensively supporting the human development of Palestinian refugees Examining the refugee debate using new disciplines and research frameworks this collection aims to emphasise the centrality of the Palestinian refugee issue for Middle East peace making and to contribute a better understanding of a unique agency This book will be a useful aid for students and researchers with an interest in Middle East Studies Politics and the Israeli Palestinian conflict **The Boy**

**Crisis** Warren Farrell, John Gray, 2018-03-13 What is the boy crisis It's a crisis of education Worldwide boys are 50 percent less likely than girls to meet basic proficiency in reading math and science It's a crisis of mental health ADHD is on the rise And as boys become young men their suicide rates go from equal to girls to six times that of young women It's a crisis of fathering Boys are growing up with less involved fathers and are more likely to drop out of school drink do drugs become delinquent and end up in prison It's a crisis of purpose Boys old sense of purpose being a warrior a leader or a sole breadwinner are fading Many bright boys are experiencing a purpose void feeling alienated withdrawn and addicted to immediate gratification So what is The Boy Crisis A comprehensive blueprint for what parents teachers and policymakers can do to help our sons become happier healthier men and fathers and leaders worthy of our respect Physical Education
