The only one came out of a hole in the ice very far ahead, having just come out of a hole in the ice."

Father thought he saw small pieces of ice floating around, but not see any myself. There was no big berg. We waited about 10 minutes, and the ship had then a fair list to port. We stayed in our room for about five minutes. The list seemed very slow to come back to our rooms on C deck, all of us took off our life-preservers and walked around under
