running the roads or a steady diet of greasy fried chicken with blackened string beans Florida is sun and sand yes but it is also cool lakes ancient oaks and lacy cypress trees big cities beautiful farms and citrus groves covering rolling hills like tufted bedspreads Florida is lush ranchland crystal springs dogwood and maple trees people from everywhere and all walks of life who came to see got sand in their shoes and had to return Tampa is a composite of all of it It s a bountiful land We wish all could see for themselves But if that is impossible then we in our small way will try to bring it to you The food of a land tells the life of its people and we would like to share our good life with everyone Here is our offering May it bring you pleasure as we have known it      *The Gasparilla Cookbook* ,2011
