Hidden Kristin Cast, P C Cast, 2012-10-16 I'd known it before we saw the fire trucks and the smoke I'd known all hell had broken loose at the House of Night the moment it had been proven beyond all doubt that Neferet was on the side of Darkness Only now I had a terrible feeling that outing Neferet would serve more to free her than to force her to pay the consequences for her lies and betrayals At last Zoey has what she wanted the truth is out Neferet's evil has been exposed and the High Council is no longer on her side but she's far from done wreaking havoc in the vampire world With the seeds of distrust sown and Darkness breeding chaos at the House of Night everyone must band together but that's proving to be more difficult than ever before The twins are barely speaking and the House of Night's former enemy Kalona has now become their warrior pushing their trust to the limits To top it all off Zoey is pretty darn sure she might be losing her mind she saw something when she looked at Neferet's minion Aurox through the Seer Stone that she can hardly explain to herself let alone her friends Zoey knows that following her instincts might be just what they need to defeat evil but if she's wrong it could cause the destruction of those closest to her With the tension at a breaking point and friendships on the line can the nerd herd come together to stop the spread of Darkness before it's too late
