This surprising and insightful history profiles ten African American engineers mathematicians and others who worked for  
NASA s space program Lauren Helmuth New York Times Book Review The Space Age began just as the struggle for civil  
rights forced Americans to confront the bitter legacy of slavery discrimination and violence against African Americans NASA  
itself became an agent of social change with President Kennedy opening its workplaces to African Americans In We Could  
Not Fail Richard Paul and Steven Moss profile ten pioneer African American space workers whose stories illustrate the role  
NASA and the space program played in promoting civil rights Paul and Moss recount how these technicians mathematicians  
engineers and an astronaut candidate surmounted barriers and navigated being the sole African American in a NASA work  
group These brave and determined men went on to help transform Southern society by integrating colleges patenting new  
inventions holding elective office and reviving and governing defunct towns Adding new names to the roster of civil rights  
heroes and a new chapter to the story of space exploration We Could Not Fail demonstrates how African Americans broke the
