It's a story of love and of the courage to believe in our dreams so we can make them a reality. Angel Rose, a child of earth, begins to communicate with Haniel, the granter of wishes. Haniel has come from seventh heaven to communicate directly with Angel Rose through the Internet. He tells Angel Rose that he has waited several lifetimes to communicate with the children of earth as a messenger for all mankind. He wants to work with the planet's children to evolve it into a heaven world, creating a peaceful planet of love and oneness instead of fear and separation. Angel Rose visits seventh heaven with Haniel and is introduced to the archangels, a myriad of other angels, and the other special children of earth involved in the Universal Grand Plan. She lives between the two worlds, working as a peacemaker on earth to bring together the path makers and path finders.
