Joan Makes History Large Print 16pt:

Van Diemen's Land (Large Print 16pt) James Boyce, 2010-08 Large print *Communication with All Life (Large Print 16pt)* Joan Ranquet, 2010-06-21 Although *Communication with All Life* is about animal communication it isn't just a how to book but a guide that will help you discern how much you're already exchanging feelings words and pictures with your pet. Woven throughout the book are many stories to illustrate and support the theory that animal communication isn't something that you do or need to learn it just is. By tuning in telepathically Joan Ranquet has helped thousands of people and animals deepen their connections with each other resolve behavioral problems assist in the process of death and dying and examine issues surrounding illness and accidents. Many of the situations that are dealt with throughout the book are actually people perception problems rather than stories of an ill behaved dog cat horse bird or other pet. *Communication with All Life* illustrates how to move past the emotional patterns that create unwanted behavior and ultimately demonstrates that animal companions give humans the opportunity to enact leadership and responsibility in their thoughts and feelings to ensure harmony at home.

Dirty Story and Other Plays (Large Print 16pt) John Patrick Shanley, 2011-03 Three new works by Pulitzer Prize winning author John Patrick Shanley one of our country's most politically current and theatrically elastic playwrights. In *Dirty Story* a couple of sadomasochistic writers fight over rights to their New York City loft. In this sexy satire of the Israeli/Palestinian conflict that is astonishing says Tony Kushner the analysis of the Middle East in this play is dead on exactly perfectly pitched. In his dark comedy *Where's My Money* Shanley takes on marriage infidelity and divorce lawyers in a play that is so harsh it's funny terrifying but funny. *The New York Times* And in his *Sailor's Song* love becomes an act of courage in a seaside romance about the certainty of death the brevity of youth and the importance of now.

Hidden Buddhas (Large Print 16pt) Liza Dalby, 2010-06 *Hidden Buddhas* may well be Liza Dalby's best work yet with its fascinating story of characters caught up in a world they themselves don't understand. Besides taking us on a journey through little known corners of Japan it offers us an engaging and believable portrait of people driven to do things they may not have imagined. Arthur Golden author of *Memoirs of a Geisha* According to Buddhist theology the world is suffering through a final corrupt era called mapp. As mapp continues chaos will increase until the center can no longer hold. Then the world will end. In Japan many believe that Miroku Buddha of the Future will appear and bring about a new age of enlightenment. From this ancient notion of doom and rebirth comes a startling new novel by the acclaimed author of *Geisha* and *The Tale of Murasaki*. Hundreds of temples in Japan are known to keep mysterious hidden buddhas secreted away except on rare designated viewing days. These statues are not hidden because they are powerful their power lies in their being hidden. Are they being protected or are they protecting the world. In this novel one Buddhist priest struggles with the dictates of his inherited orthodoxy while another rebels. An American graduate student begins to suspect the mysterious purpose of the hidden buddhas just as he falls in love with a beautiful Japanese artist who is haunted by an aborted child. The weaving of karma that

brings these two together results in a tech savvy half Western half Japanese child who text messages her way through the profane world to enlightenment Tracing the lives of its characters through the late twentieth century to the present from Paris to Kyoto to California Hidden Buddhas turns a cosmopolitan eye on discipline and decadence in religion fashion politics and modern life Liza Dalby is an anthropologist and writer specializing in Japan She lives in Berkeley California **Minding the Body, Mending the Mind (Large Print 16pt)** Joan Borysenko,2010-06 Based on Dr Borysenko s groundbreaking work nearly twenty years ago at the Mind Body Clinic in Boston Minding the Body Mending the Mind continues to be a classic in the field with time tested tips on how to take control of your own physical and emotional wellbeing The clinic s dramatic success with thousands of patients with conditions ranging from allergies to cancer offers vivid proof of the effectiveness of the mind body approach to health and its power to transform your life Here are tips on how to elicit the mind s powerful relaxation response to boost your immune system cope with chronic pain and alleviate symptoms of a host of stress related illnesses Updated with the recent developments in the field the new edition is a must have for anyone interested in taking an active role in healing himself or herself **The Complete Directory of Large Print Books & Serials** ,1994
