One Up Joost van Dreunen, 2020-10-06 What explains the massive worldwide success of video games such as Fortnite Minecraft and Pok mon Go Game companies and their popularity are poorly understood and often ignored from the standpoint of traditional business strategy Yet this industry generates billions in revenue by thinking creatively about digital distribution free to play content and phenomena like e sports and live streaming

What lessons can we draw from its major successes and failures about the future of entertainment One Up offers a pioneering empirical analysis of innovation and strategy in the video game industry to explain how it has evolved from a fringe activity to become a mainstream form of entertainment Joost van Dreunen a widely recognized industry expert with over twenty years of experience analyzes how game makers publishers and platform holders have tackled strategic challenges to make the video game industry what it is today Using more than three decades of rigorously compiled industry data he demonstrates that video game companies flourish when they bring the same level of creativity to business strategy that they bring to game design Filled with case studies of companies such as Activision Blizzard Apple Electronic Arts Epic Games Microsoft Nexon Sony Take Two Interactive Tencent and Valve this book forces us to rethink common misconceptions around the emergence of digital and mobile gaming One Up is required reading for investors creatives managers and anyone looking to learn about the major drivers of change and growth in contemporary entertainment **Surplus-Enjoyment**

Slavoj Žižek, 2022-08-11 Contemporary life is defined by excess There must always be more there is never enough We need a surplus to what we need to be able to truly enjoy what we have Slavoj i ek s guide to surplus and why it s enjoyable begins by arguing that what is surplus to our needs is by its very nature unsubstantial and unnecessary But perversely without this surplus we wouldn t be able to enjoy what is substantial and necessary Indeed without the surplus we wouldn t be able to identify what was the perfect amount Is there any escape from the vicious cycle of surplus enjoyment or are we forever doomed to simply want more Engaging with everything from The Joker film to pop songs and Thomas Aquinas to the history of pandemics i ek argues that recognising the society of enjoyment we live in for what it is can provide an explanation for the political impasses in which we find ourselves today And if we begin even a little bit to recognise that the nuggets of enjoyment we find in excess are as flimsy and futile might we find a way out *The Unofficial Guide to Wii U*
