The Ultimate Medical School Rotation Guide Stewart H. Lecker, Bliss J. Chang, 2021-06-14 Written by the top medical student rotators, this book provides medical students with the often-elusive information and skills required to ace their clinical rotations. Chapters cover all major medical subspecialties such as internal medicine, general surgery, cardiology, dermatology, orthopedics, neurosurgery, and ophthalmology. Additionally, the book offers many novel features, including a review of core rotation skills for oral presentations and a walk-through of a day in the life of the medical student on a particular rotation. It focuses on the common cases that students actually encounter in the hospital. This format thereby administers a complete, concise overview of what is needed for each rotation. A unique resource, *The Ultimate Medical School Rotation Guide* is not only instructional and comprehensive but also assuring and supportive as it encourages students to appreciate this rewarding time in their medical careers.
