MARPOL CONSOLIDATED EDITION, 2022 EDITION., 2022 *MARPOL Consolidated Edition 2006* International Maritime Organization, 2006 *Marpol* International Maritime Organization, 2017-09-25 The International Convention for the Prevention of Pollution from Ships 1973 MARPOL Convention is concerned with preserving the marine environment through the prevention of pollution by oil and other harmful substances and the minimization of accidental discharge of such substances. Its technical content is laid out in six Annexes, the first five of which were adopted by the 1973 Convention as modified by a 1978 Protocol. These Annexes cover pollution of the sea by oil, by noxious liquid substances in bulk, by harmful substances in packaged form, by sewage from ships, and by garbage from ships. Annex VI was adopted by a further Protocol in 1997 and covers air pollution from ships.

International Maritime Conventions (Volume 3) Francesco Berlingieri, 2016-03-17 For the first time this unique text brings together all private international maritime law conventions alongside expert commentary and analysis. Truly global in approach, the book covers each of the nineteen conventions currently in force, all scrutinised by this internationally acclaimed author. It also examines important maritime conventions not yet fully ratified, including the topical Rotterdam Rules. This comprehensive resource provides a thorough treatment of both wet and dry shipping treaties, combining breadth of coverage with depth of analysis. In this third volume, the author covers the key conventions dealing with pollution and safety at sea. In particular, the author covers the following instruments: International Convention relating to Intervention on the High Seas in Cases of Oil Pollution Casualties 1969 and Protocol of 1973; International Convention on Oil Pollution Preparedness, Response and Co-operation 1990 (OPRC Convention with its Protocol of 2000); OPRC HNS Protocol; International Convention for the prevention of pollution from ships (MARPOL) and protocol of 1978; International Convention for the Safety of life at sea 1974 (SOLAS Convention on the prevention of marine pollution by dumping of wastes and other matters 1972 as amended by the protocol of 1996); International Convention for the control and management of ship's ballast water and sediments 2004; International Convention on Standards of Training, Certification and Watchkeeping for Seafarers 1978 (Nairobi); International Convention on removal of wrecks 18 May 2007; Port state control; the Paris Memorandum of Understanding and the European Directive 2009/16/EC; European Traffic Monitoring and Information System; International Convention on Civil Liability for Oil Pollution Damage 1992 (CLC 1992); International Convention on the Establishment of an International Fund for Compensation for Oil Pollution Damage 1992 as amended by its Protocol of 2000 and its Supplementary Protocol of 2003; the Fund Convention; International Convention on Civil Liability for Bunker Oil Pollution Damage 2001; International Convention on Liability and Compensation for Damage in Connection with Carriage of Hazardous and Noxious Substances by Sea 1996. This book is an indispensable reference for maritime lawyers, academics, and students of maritime law worldwide.
