Ritual and Religious Experience in Early Christianities David John McCollough, 2022-09-19 In this volume David John McCollough challenges the common assumptions that Paul thought the Spirit was communicated through water baptism that justification was non experiential and unrelated to ritual that Luke was incoherent or a poor editor and that water baptism was the cardinal initiation rite among early Christianities *After Merit* Charles Raith II, 2016-07-11 In this study Charles Raith II fills a gap in Reformation era scholarship by analyzing Calvin's teaching on works and reward in light of medieval theological developments surrounding the doctrine of merit While significant analysis has been given to Calvin's doctrine of justification its relation to sanctification the notion of union with Christ and the role of participation there is as yet no sustained analysis of how these teachings are shaped by the most hostile and pervasive of his polemics namely his confrontation with a merit based framework for understanding Christian salvation This volume however interprets Calvin's own theological constructions as contextually determined by the reigning polemics of his day In addition previous scholarship on these topics has largely failed to properly contextualize Calvin's own thought against the background of scholastic theological developments developments that Calvin both accepts and rejects in the formulation of his own theology *After Merit* addresses these gaps by 1 analyzing Calvin's tracts scriptural commentaries and Institutes to demonstrate Calvin's unique distain for the doctrine of merit among the early Reformers and the pervasiveness of this polemic within his theological program 2 reviewing the scholastic developments surrounding the doctrine of merit from the High to Late Middle Ages as background to Calvin's thought 3 highlighting Calvin's principle problems with the doctrine of merit the competitive causal schema between divine and human causality merit as a basis for justification and good works as deserving of reward and 4 unpacking Calvin's theology of justification sanctification the worth of works and the role of works in salvation as an alternative to the opponents doctrine of merit The volume concludes by reflecting on the reception of Calvin's theology of works and reward in later Reformed thought **The Letters of Paul as Rituals of Worship** John Paul Heil, 2012-06-28 In

this interpretation of the corpus of the thirteen New Testament letters attributed to Paul Heil establishes a connection between communal worship and the New Testament The author focuses on the key theme of worship understanding it in its most comprehensive sense in the biblical tradition with the liturgical and the ethical facets of worship held in dynamic interrelationship The reader is offered a fresh way of reading and listening to the letters of Paul for a deeper understanding of their original purpose and message

"Take and Eat": From Fall to Feast TK Dunn,2024-11-12 There are many doorways that can be used to enter and engage with the storyline of the Bible In this book TK Dunn traces the theme of take and eat across the pages of Scripture to demonstrate that many of the critical events in redemptive history are marked by uses of food From God s bountiful provision in Eden through the celebratory feast of the New Jerusalem Dunn explores how God uses meals as a symbolic method of teaching his people about grace mercy justice holiness and redemption This Biblical Theological feast is designed to provide a unique and captivating analysis of God s activity in his created realm by interacting with his people in a manner that they could both experience and understand The contract of the Fallen Adam with the Final Adam sits at the heart of the gospel and it is therefore not surprising that the take and eat motif is present in the lives of both Adam and Jesus Seeing Jesus obedience as an inversion of Adam s failure Dunn demonstrates how Christ is not only the fulfillment of the Old Testament s hopes and promises but also the one who restores and renews all things by the unwinding of the Fall By considering how God uses these moments to progressively reveal more about his work of salvation through Christ Dunn provides a theological buffet that will entice the unbeliever to taste and see that the Lord is good and also satisfy the believer who is eagerly

anticipating the day when Christ will sit and feast with his beloved church at the end of time
