with a cameo appearance by Samuel L Jackson who narrated the audio book version of *Go the F to Sleep* [The Go the Fuck to Sleep Box Set](#) Adam Mansbach, 2021-10-05 Celebrating a decade of profane loving and deeply cathartic children's books for adults the entire *Go the Fuck to Sleep* trilogy is finally available in a collectors edition boxed set You've probably heard of the book *Go the F k to Sleep* and its two sequels *You Have to F king Eat* and *F k Now There Are Two of You* But did you know it's been a full decade since the first book became a brilliant and hilarious phenomenon Fatherly Ten years ago Adam Mansbach crystallized the secret agony of parents the world over with one simple phrase *Go the Fuck to Sleep* In verses that perfectly capture the familiar tribulations of putting your little angel down for the night the book opened up a conversation about parenting granting us permission to admit our frustrations and laugh at their absurdity and the message only resonated louder when Samuel L Jackson the bard of the F word read the audiobook *You Have to Fucking Eat* expanded the conversation to include parenthood's other universal frustration getting your little angel to eat something that even vaguely resembles a normal meal with Bryan Cranston voicing the audiobook and because life moves pretty fast *Fuck Now There Are Two of You* soon became necessary to address the fact that two is somehow a million more kids than one with Larry David doing the audiobook honors And now to celebrate a decade of profane loving and deeply cathartic children's books for adults the entire trilogy is finally available in a collectors edition boxed set perfect for gifting at a baby shower or using to knock yourself unconscious As always you probably should not read these books to a child **No Kids Allowed** Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore This original study explores the varied forms and roles of children's literature when it's written for adults What do Adam Mansbach's *Go the F k to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common These large format picture books are decidedly intended for parents rather than children In *No Kids Allowed* Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children's literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children's literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive **The Syntax of Aspect** Nomi Erteschik-Shir, Tova Rapoport, 2005-05-26 This book investigates the way grammar deals with the representation of aspectual aktionsart concepts focussing on issues of the lexicon syntax interface The authors innovative analyses of this interface significantly advance our understanding of the role that syntax plays in determining verbal meaning aspectual interpretation and thematic information Various theories are developed in this collection including those that take as their starting point the lexical syntactic framework of Hale and Keyser prominent among which is the chapter by Hale and Keyser themselves By examining different phenomena in a cross linguistic perspective this book develops insights into the

general theoretical question of universal grammar and acquisition as well as into the specific nature of the lexicon syntax interface It is a major contribution to modern syntactic theory *Go the F*ck to Sleep* Peter Childs, 2017-10-03 *Go the F ck to Sleep* is a book for hard working parents who struggle away every night to put their children to sleep This book understands the innermost frustrations and anger of the parents who go through the bedtime lullaby ordeals every night to put their kids to sleep The illustrations and poems are beautiful and funny Experience *Go the F ck to Sleep* today
