### **Les premières années du 21ème siècle**

Ruben Ygoue,2025-07-24 Les méthodes traditionnelles d'étude du passé ont toujours accordé une importance accrue aux intérêts nationalistes religieux et moraux qui subordonnaient le fait historique au point de vue du système. De cette façon nous avons tendu à croire que le temps est venu de simplifier et de respecter nos anciennes méthodes en nous efforçant de savoir ce qui s'est réellement passé dans le passé et pas seulement ce qu'ils veulent nous informer. Après de nombreuses années d'études en histoire j'ai conclu que le meilleur système d'études est une chronologie impartiale et objective qui consiste à placer chaque événement sa place exacte dans le temps relevant ainsi l'histoire sans manipulation. Cette chronologie ne contient pas que des faits purement politiques tels que la fondation de villes la naissance de royaumes et d'empires des découvertes scientifiques et géographiques des catastrophes naturelles et des pidomes. Il comprend également des informations sur les domaines d'activité humaine les plus divers chimie astronomie géographie mathématiques etc. Parallèlement la chronologie est complète par des données qui n'appartiennent pas une date précise mais une période entière généralement de chaque société curiosités coutumes religion de chaque civilisation inventions ou découvertes qui ne peuvent être placées une date exacte etc. Le résultat est une des chronologies les plus complètes périodiquement mise à jour avec les dernières découvertes archéologiques et scientifiques et qui transforme le lecteur en tout moyen oculaire du passé comprenant la relation d'événements géographiquement lointains mais traitement liés par leur contemporanéité et influençant des conséquences inattendues souvent négligées par l'histoire traditionnelle quand il n'y avait aucun intérêt. Un ouvrage de cette ampleur ne pouvait pas être publié dans un seul livre C'est pourquoi je l'ai divisé en plusieurs collections dont les originaux en espagnol sont en cours de traduction en français anglais italien et portugais La chronologie a lieu chaque année autant que possible de la première à nos jours Pour ceux qui profitent une étude plus approfondie et plus détaillée je l'ai préparé une seconde chronologie couvrant de 1789 à 1946 divisée en cinq collections
