Teens A League of Their Own Christine Burton,2015-10-29 My inspiration for writing Teens a League of Their Own came from working with regular and special need students in all grades K 12 They were interested in the cooking and baking shows on television yet showed skepticism when trying to cook or bake on their own at home Even though they had interest in cooking baking they needed extra help with reading and comprehending recipes They complained most child cookbooks on the market only had simple non cooking recipes They wanted to make foods from recipes in adult cookbooks but were confused when reading them I realized that when I was a child these same issues applied to me I would end up re writing recipes in a simple step by step method on index cards including the order of ingredient use and method of preparation of each item in the ingredient list This method made it easier for me to keep track of where I was when following the recipes and preventing me from adding in double of some ingredients or leaving ingredients out When writing Teens a League of Their Own I used this method to make

Sunlight & Breadcrumbs Renee Erickson, Sara Dickerman, 2024-09-24 James Beard Award winning chef Renee Erickson explores the surprising wonder and satisfaction you can find in making everyday food, inspiring us all to cook creatively. After more than 25 years running award-winning restaurants, acclaimed chef Renee Erickson realized that she had started to lose touch with her creative side, which she had nurtured in art school and had always considered as key to her approach to cooking. She decided to reconnect with her creativity by painting, taking photographs, making ceramics, and, of course, cooking. *Sunlight and Breadcrumbs* highlights the beauty and creativity in making everyday food at home. To accomplish these recipes are the jumping off point, and there are more than 100 of Renee's best here. But there are also essays that connect the dots between creative practices and the food she cooks. Work in Progress sidebars zoom in on the creative decisions made when cooking: the seasonal ingredients, textures, shapes, and colors that help make each meal a more thoughtful expression of life at that moment. As this book shows, cooking can provide an outlet for meaningful personal expression, even when making decidedly straightforward preparations. Renee highlights the little easy things that take a simple dish from nice to memorable, like the rich crunch of olive oil toasted breadcrumbs on top of a hearty escarole salad, and persuades us to seek out and celebrate these details. While offering a joyful look at creative expression at its heart, this is an approachable cookbook filled with ideas for weeknight dinners as well as more leisurely weekend meals. There are also celebratory snacks, including dips and go-to crostini toppings and easy desserts. For anyone who has felt bored by the grind of weeknight cooking, is looking for simple but exciting food to make for friends and family, or wants to encourage more creativity in their day-to-day, this book provides an inspiring reset, full of prompts to continue exploring our kitchens and lives with curiosity, an eye for detail, and joy. *Sunlight and Breadcrumbs* features delicious recipes like Melted Anchovy Toast, Oven-Dried Tomatoes with Whipped Feta, Mint and Basil, White Beans with Pork Sausage, Lemon Peel, and Green Herbs, Raspberry and Pecan Crumble Cake, and many more. Includes Color Photographs and Illustrations. **Fried & True Lee**
