Congress.

House. Commission on Administrative Review,1977      **1877** Michael A. Bellesiles,2010-08-10 A powerful examination of a nation trying to make sense of the complex changes and challenges of the post Civil War era Carol Berkin author of *A Brilliant Solution Inventing the American Constitution* In 1877 a decade after the Civil War not only was the United States gripped by a deep depression but the country was also in the throes of nearly unimaginable violence and upheaval marking the end of the brief period known as Reconstruction and reestablishing white rule across the South In the wake of the contested presidential election of 1876 white supremacist mobs swept across the South killing and driving out the last of the Reconstruction state governments A strike involving millions of railroad workers turned violent as it spread from coast to coast and for a moment seemed close to toppling the nation s economic structure Celebrated historian Michael A Bellesiles reveals that the fires of that fated year also fueled a hothouse of cultural and intellectual innovation He relates the story of 1877 not just through dramatic events but also through the lives of famous and little known Americans alike A superb and troubling book about the soul of Modern America William Deverell director of the Huntington USC Institute on California and the West A bold insightful book richly researched and fast paced Bellesiles vividly portrays on a single canvas the violent confrontations in 1877 Alfred F Young coeditor of *Revolutionary Founders Rebels Radicals and Reformers in the Making of the Nation* A wonderful read that is sure to appeal to those interested in the challenges of creating a post Civil War society Choice      *Abolishing White Masculinity from Mark Twain to Hiphop* Stephany Rose,2014-03-25 *Abolishing White Masculinity from Mark Twain to Hiphop* examines white American male literature for its social commentary on the construction of whiteness in the United States Whiteness has always been a contested racial identity in the U S one in a state of construction and reconstruction throughout critical cultural and historical moments This text examines how white American male writers have grappled with understanding themselves and their audiences as white beings *Abolishing White Masculinity from Mark Twain to Hiphop* specifically brings a critical whiteness approach to American literary criticism and strengthens the growing interdisciplinary field of critical whiteness studies in the humanities Critical whiteness studies shifts the attention from solely examining people and perspectives of color in race discourse to addressing whiteness as an essential component of race ideology The primary contribution of this perspective is in how whites construct and see whiteness for the larger purpose of exploring the possibilities of how they may come to no longer construct and see themselves through whiteness Understanding this is at the heart of contemporary discussions of post raciality *Abolishing White Masculinity from Mark Twain to Hiphop* uses the following texts as canonical case studies *Puddn head Wilson* and *Those Extraordinary Twins* by Mark Twain *The Great Gatsby* and *The Beautiful and the Damned* by F Scott Fitzgerald and *Angry Black White Boy* and *The End of the Jews* by Adam Mansbach Each underscores the dialectic of formation deformation and reformation of whiteness at specific socio historical moments based upon anxieties about race possessed by whites and highlighted by white fictionists The selected writers ultimately serve dually as co constructors of whiteness and social critics

of their times through their literature      Incisive Global Perspectives Tiffany Twain,2013-01-24 War and Peace have long been crucially important issues in human civilizations so a close examination is made in this collection of essays about vital issues related to war and peace Freedom mutual security democracy economics Peak Oil militarism patriotism and extremism are evaluated and a wide variety of sources is adduced to include their valuable insights      **The Law as it Could Be** Owen Fiss,2003-10 The Law As It Could Be gathers Fiss s most important work on procedure adjudication and public reason introduced by the author and including contextual introductions for each piece some of which are among the most cited in Twentieth Century legal studies Fiss surveys the legal terrain between the landmark cases of Brown v Board of Education and Bush v Gore to reclaim the legal legacy of the Civil Rights Movement He argues forcefully for a vision of judges as instruments of public reason and of the courts as a means of shaping society in the image of the Constitution In building his argument Fiss attends to topics as diverse as the use of the injunction to restructure social institutions how law and economics have misunderstood the role of the judge why the movement seeking alternatives to adjudication fails to serve the public interest and why Bush v Gore was not the constitutional crisis some would have us believe In so doing Fiss reveals a vision of adjudication that vindicates the public reason on which Brown v Board of Education was founded      *The Cambridge Companion to John F. Kennedy* Andrew Hoberk,2015-04-23 John F Kennedy remains central to both the American and the global imagination Featuring essays by leading literary critics historians and film scholars The Cambridge Companion to John F Kennedy addresses such topics as Kennedy s youth in Boston and his time at Harvard his foreign policy and his role in reshaping the US welfare state his relationship to the civil rights and conservative movements and the ongoing reverberations of his life and death in literature and film Going beyond historical or biographical studies these chapters explore the creation and afterlife of an icon a figure who still embodies and sparks debate about what it means to be American      **Mark Twain among the Indians and Other Indigenous Peoples** Kerry Driscoll,2019-09-17 Mark Twain among the Indians and Other Indigenous Peoples is the first book length study of the writer s evolving views regarding the aboriginal inhabitants of North America and the Southern Hemisphere and his deeply conflicted representations of them in fiction newspaper sketches and speeches Using a wide range of archival materials including previously unexamined marginalia in books from Clemens s personal library Driscoll charts the development of the writer s ethnocentric attitudes about Indians and savagery in relation to the various geographic and social milieus of communities he inhabited at key periods in his life from antebellum Hannibal Missouri and the Sierra Nevada mining camps of the 1860s to the progressive urban enclave of Hartford s Nook Farm The book also examines the impact of Clemens s 1895 96 world lecture tour when he traveled to Australia and New Zealand and learned firsthand about the dispossession and mistreatment of native peoples under British colonial rule This groundbreaking work of cultural studies offers fresh readings of canonical texts such as The Adventures of Tom Sawyer A Connecticut Yankee in King Arthur s Court Roughing It and Following the Equator as well as a

number of Twain s shorter works
